India, July 18th, 2025: What happens when a fearless young girl returns to the Amazon to save her village and a beloved jaguar? You get *Autumn and The Black Jaguar*, a heartfelt, thrilling, and visually stunning film premiering on FLIQS, the digital content segment on the Watcho app, from today, July 18, 2025. Available in Hindi and English for just Rs 79, the film blends comedy and adventure to deliver a story that is as entertaining as it is meaningful.

Directed by Gilles de Maistre, the film stars Lumi Pollack as Autumn, a brave teenager who returns to her childhood village in the Amazon to protect it from animal traffickers.
