CHAIRMAN'S MESSAGE

Dear Shareholders,

It's my pleasure to welcome you all to the Annual General Meeting of Dish TV India Limited and apprise you of the developments and initiatives undertaken by the Company through the annual report for Financial Year 2025-26 (FY26). The Indian economy registered a substantial GDP growth of 7.7% driven by robust performance of manufacturing and service sectors during FY26. Indian M&E industry also witnessed a growth of 9.2% in 2025 on the backdrop of good performance by digital media, events and other segments.

However, this performance was not observed in the media distribution segment, which noticed a year-on-year fall in active pay-DTH subscribers across the industry due to three structural forces: migration to OTT by urban households, shift to free-to-air platforms by price-sensitive subscribers and rapid connected TV adoption. These headwinds have affected all the DTH players across India and the globe, not only Dish TV and may continue in the coming years.

Though the FY-26 posed financial challenges with loss of subscription revenue and tested the resilience of our organization, Dish TV showed tenacity and continued to combat these challenges by evolving the content ecosystem and entering new business segments. We spent this year accelerating our transformation into something more enduring and more relevant.

Our Operational Endeavors in FY26

Amid the continued structural shift in the Indian home entertainment market driven by rising OTT streaming and availability of free-to-air platforms, the Company is actively repositioning itself to stay relevant and competitive. We diversified channel bundles in core Dish TV business, expanded original and regional content on the Watcho app, and integrated OTT streaming in hybrid packages.

Also, the Company strengthened Watcho's creator-driven platform, democratizing content creation and monetization for the digital economy, while deepening the super-app experience for next-generation consumers. The Company aims to provide seamless content experience by integrating Amazon Prime Video across Dish TV, Watcho and VZY Smart TVs that unify streaming and traditional broadcast.

We enhanced our distribution services by engaging and empowering more partners and freelancers at the micro-level (Tehsil level) and making them a one-stop shop for customers across rural and semi-urban areas. Their services are integrated with apps and artificial intelligence models, which provide leads and ensure services. We upgraded our technology to improve efficiency and have more insights into consumption.

Business Diversification into New Segments

Dish TV entered the smart TV segment by launching VZY Smart TV powered by Google TV, combining 29+ streaming apps and live TV without a set-top box to enhance user experience during September 2025. We are overwhelmed by the results of this segment as VZY TV revenue crossed ₹100 crore gross shipment value mark during FY26. This milestone validates our conviction in the intelligent screen requirement at home beyond a satellite dish. We recently launched VZY Entertainment Ecosystem, consolidating our DTH, OTT, smart TV and streaming capabilities and announced an enhanced South India offering in May 2026.

We also officially launched our quick commerce or B2B and B2C e-commerce platform ShopZop - a website and mobile application with over 4,000 listed products including integrated entertainment combo subscriptions and Dish TV hardware during March 2025. It extends supply chains across northern and eastern states, leveraging Dish TV's distributor and local retailer network.

We also launched our Content India property – a content hub in collaboration with C21 Media to facilitate deals between content creators, buyers and technology companies and to source high-quality and diverse regional and international content for subscribers of our brands. The property features international content summits and market events that enable networking and cross-border partnerships. We hosted an inaugural three-day event in Mumbai in March 2026 and aim to organize more such events to make it the largest hub in Southeast Asia.

Financial Performance

The Company's financial numbers for FY26 reflect the transition carrying costs. The Company's revenue stood at ₹ 1,162.61 crore, with a year-over-year drop of 25.84% due to subscription losses, while EBITDA turned negative to ₹ (6.88) crore during the year. The decline in EBITDA was mainly driven by the rise of alternative entertainment options, inflationary pressures and exchange rate fluctuations. The Company continued to maintain operational cost efficiencies, but losses increased and accumulated due to a decline in revenue and exceptional income.

Future Outlook

We remain confident that our new initiatives will take us on the path of recovery and growth. This confidence emanates from VZY TV's ₹100-crore milestone, the growth of our digital app and website - Watcho, and early traction of our hybrid packages to existing subscribers. The Company also expects to earn revenue from ShopZop in the form of commission fees and secure exclusive content partnerships and sponsorships from Content India. Content India is anticipated to be instrumental in delivering high-quality content for all the Dish TV customers and drive revenue by retaining them.

The Company has been under the public eye and reflected a distinct journey of two decades from launching India's first DTH service in 2003 to the merger of Videocon DTH operations in 2018 to becoming debt-free in 2023, and now this repositioning phase. We continued to navigate technological disruption and rebuild in the past, and today, we are revamping again with unprecedented urgency, clarity, and technological capabilities. We are on our path to uplift and safeguard shareholders' value.

As content consumption continues to evolve into integrated entertainment experiences across screens and platforms, our focus is to align our strategy precisely with this evolution and accordingly build a future-ready hybrid entertainment ecosystem with operational discipline. This ecosystem will provide access to diverse platforms and connected TV experiences. With this, Dish TV intends to lead the transition from set-top boxes to smart screen in media distribution landscape of India with various evolved offerings.

Gratitude

I want to recognize employees' exceptional contributions to navigating structural change while sustaining operational quality in delivering services to millions of subscribers. Our employees have met the formidable challenge of subscription-related services professionally and purposely. Nonetheless, the collaboration of our distributors, content partners and service franchisees enabled us to maintain our subscriber relationships.

The current entertainment scenario reflects the convergence of linear broadcast and streaming broadband, of content and commerce, and will continue to do so in future. Dish TV is building an ecosystem for future dynamics and is committed to serving shareholders' long-term interests and to deliver holistic entertainment and content services.

As I conclude, I tender my heartfelt thanks to our shareholders for your ongoing faith in our vision. I also thank our investors, bankers, partners and our team, for their continued support. As we face changing times, we look forward to achieving our goals and creating lasting value together.

Warm Regards,
Manoj Dobhal
Chairman (Chief Executive Officer and Executive Director)

The said Policy of the Company sets out the parameters and circumstances that will be taken into account by the Board in determining whether or not to distribute dividend to its shareholders, the quantum of profits and/or retained profits to be distributed as dividend etc. The policy is available on the website of the Company viz https://www.dishd2h.com/media/2419/dividend-distribution-policy.pdf

3. BUSINESS OVERVIEW

Dish TV India Limited ('Dish TV') has been present as a prominent player in Indian media broadcasting and content distribution sector for more than two decades. However, it is driving digital entertainment integration with its hybrid offerings combining live TV distribution and OTT and in-house original content app Watcho. It has diversified beyond DTH into smart TV and e-commerce segments. The advanced technologies deployed by the Company seamlessly blend linear channels and digital streaming, enhancing the entertainment experience of the viewers.

The Company's core brand – Dish TV provides access to free TV, Pay TV and Connected TV entertainment through tailored packages to regional and national audience across India. Dish TV brand offers customizable options from 600+ channels in different languages at different price points and delivers direct-to-home satellite TV broadcasting services at affordable rates to the population residing also in the interiors of India. Dish TV also enhanced value added free-to-air TV channel options to households, to enable upgrade from pure FTA.

Dish TV also offers connected devices and VZY Smart TVs and digital set-top boxes to access live TV channels and OTT apps at the same time. The Company offers entertainment services and value-added services including active, multilingual, on-demand content and regional content services. Nonetheless, the in-house OTT content aggregator app - Watcho broadcasts original programs besides linear and OTT content, while creator-driven platform-FLIQS within this app publishes short-from content created by youth.

Dish TV accelerated diversification into new segments during FY26. Its B2B e-commerce platform – ShopZop, went live with listing of 4000+ products including Dish TV and VZY products during March 26. ShopZop aims to leverage Dish TV's vast retail presence to provide distribution to its own products as well as related categories and products. The Company also hosted inaugural event for Content India property (a physical and digital content trade hub) during March 2026 to enable cross-border confluence of content, including but not limited to knowledge sharing, content deals, technology exchange and business associations. Content India is brought to India, exclusively, by Dish TV India Ltd in association with the IP owner, C21 Media, London, U.K. It launched its own smart TV brand VZY Smart TV providing a seamless integrated entertainment experience without set-top box. Dish TV leveraged high-profile promotions with realty television sponsorship campaigns for VZY smart TV brand.

The Company continued to focus on phasing out the subsidies on set-top boxes and promoting recharge-based subscriptions and moving to cash and carry model for trade for its hardware. It supported this move by engaging more freelancers and distributors and adopting direct-to-customer approach through digital platforms to connect with the customers and ensure after-sale services across nook and corner of India. It also integrated do-it-yourself web tools, enabling consumers customize their packages, trouble shoot, and administer multilingual accounts.

Dish TV continued to run campaigns such as Desh Ki Diwali to secure customer loyalty and deploy advanced digital tools including AI-powered chatbots and Adobe Experience Manager for enhanced user experience. It rolled out lower-cost South Indian language channel packs to attract and retain viewers and partnered with Amazon Prime to combine Prime Lite benefits directly across DTH and hybrid set-top box platforms. The Company embedded its Watcho app into cloud-TV operated smart TVs, allowing a single login and subscription besides 25+ popular OTT apps options. At the same time, VZY Entertainment Ecosystem has been designed to bundle 29 streaming apps, live TV channels, AVOD programming and creator-led content into one mobile and smart TV application.

The Company continued its financial discipline by reducing its long-term lease liabilities and finance costs and maintaining cost efficiency by leveraging technology in operations. It sought to create new revenue streams and generate revenue from them. It launched VZY Smart TV's and secured gross revenue of almost ₹ 100 crore during FY26. The Company leveraged its network of over 2,000 distributors and more than 1,00,000 retailers to expand the reach of ShopZop and businesses seeking to maximize returns without inventory risk. It continued strong relationships with broadband providers to support the growth of converging entertainment ecosystem growth and shared broadcast revenues across India. The Company's collaboration with C21 Media for Content India, places the Company advantageously in face of thriving orange economy, that's driving the Media & Entertainment industry today.

Dish TV India Limited earned total revenue of ₹ 1,162.61 crore in FY26, reflecting a 25.84% decline due to lower subscriptions and reducing ARPUs, on a consolidated basis. The Company's earnings before interest, tax, depreciation and amortization (EBITDA) stood at ₹ (6.88) crore as against ₹ 529.08 crore in FY25. The Company's other income increased to ₹ 29.38 crore with a Y-o-Y growth of 11.5%. Depreciation and amortization expenses reduced marginally by 5.74% to ₹ 413.86 crore while finance costs increased nominally by 0.43% to ₹ 269.80 crore. Exceptional expenses reduced by 57.22% to ₹ 143.48 crore while tax expenses stood at ₹ 2.72 crore. This led to an increase in net loss by 65.56% to ₹ 807.36 crore for FY26. The Company continues to diversify its revenue streams and product-mix, besides taking strong cost optimization measures towards sustainable revenue growth.

DIRECT TO HOME ('DTH') LICENSE

The Company was issued a DTH License by the Ministry of Information and Broadcasting, Government of India ('MIB') in 2003, which License was valid for a period of 10 years, *i.e.* up to September 2013. Subsequently, MIB has been periodically granting interim extensions of the said License. The MIB *vide* order dated December 30, 2020, issued amended Guidelines for DTH sector. The amended guidelines, *inter alia* provide for a term of 20 years for the DTH License and revise the License Fee to 8% of Adjusted Gross Revenue (AGR), which is to be calculated after deducting GST from the Gross Revenue. The terms of the amended guidelines have come into effect from the date of its notification. The Company applied for the issuance of a new license and the MIB granted provisional License with effect from April 1, 2021, *vide* its letter dated March 31, 2021, on the terms and conditions mentioned therein.

DTH License Fee

The MIB issued a demand notice in 2014 for the License Fee pertaining from the date of issuance of DTH license till Financial Year 2012-13. The said demand notice was challenged by the Company before the Hon'ble Telecom Disputes Settlement and Appellate Tribunal ('TDSAT') and the said demand has been stayed by the Hon'ble TDSAT. The stay continues to be in force.

Further, the Company filed a Writ Petition before the Hon'ble High Court of Jammu & Kashmir (now Hon'ble High Court of Union Territory of Jammu & Kashmir and Ladakh) at Jammu challenging *inter alia* the quantum / applicability of License Fee and imposition of interest on the outstanding license fees. In the said petition, *vide* order dated October 13, 2015, the Hon'ble High Court had allowed the interim prayer of the Company. This order continues to be in force. Similar writs are also pending before the Hon'ble Supreme Court of India.

Subsequently, the MIB *vide* its communication dated December 24, 2020, raised a claim on the Company to pay the license fee for the period from the date of issuance of DTH License till FY 2018-19. However, in its said letter, the MIB also stated that the amount is further subject to verification, audit and the outcome of various court cases pending before the Hon'ble TDSAT, the Hon'ble High Court of Union Territory of Jammu & Kashmir and Ladakh at Jammu and the Hon'ble Supreme Court of India, in the matter of DTH License fee. The Company suitably replied to the said notice *vide* its reply dated January 6, 2021.

Similar notices were also issued by MIB *vide* its communications dated October 26, 2022, March 31, 2023, March 22, 2024, April 22, 2025, and December 30, 2025, on similar lines. Under the last communication dated December 30, 2025, an amount of ₹ 7202.73 Crore was claimed by the MIB for the period from the date of issuance of DTH License till FY 2024-25 (including interest thereon as on December 31, 2025). The communication has been adequately replied by the Company stating that the said issue in relation to the License Fee is pending adjudication before the Hon'ble High Court of Union Territory of Jammu & Kashmir and Ladakh at Jammu and the Hon'ble Supreme Court of India. The arguments before the Hon'ble High Court of Union Territory of Jammu and Kashmir and Ladakh at Jammu have been concluded.

The reports of Statutory Auditor and Secretarial Auditor forms part of this Annual report.

Secretarial Auditors' observation(s) in Secretarial Audit Report and Directors' explanation thereto:

1. The number of Directors on the Board were less than the minimum number of directors required as per Regulation 17(1) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"). As per the SEBI LODR, the Board of Directors of the Listed Entity shall be comprised of not less than six directors. Accordingly, the composition of the Board of Directors was not as per Regulation 17 of SEBI LODR throughout the audit period. The composition of the Board was not being complied with due to non-approval of the resolutions for the appointment of Directors by the shareholders of the Company and requirement of having prior approval of the Ministry of Information and Broadcasting before appointing any Director on the Board of the Company, in terms of the Guidelines for Up-linking and Downlinking of Satellite Television Channels in India, 2022.

   However, company has obtained the approval from the shareholders for appointment of two Non – Executive Independent Directors through Postal Ballot on 17th April, 2026 for a period of five years w.e.f. 14th August, 2025 after obtaining the approval of sectoral regulator - Ministry of Information and Broadcasting. Appointment of one Non-Executive Independent Director was also approved by the shareholders effective from the date of receipt of the approval of the Ministry of Information and Broadcasting as stipulated under 'Policy Guidelines for Uplinking and Downlinking of Television Channels' and the appointment was effective from May 13, 2026.

2. During the year under review, the requirement of having minimum 1 Woman Independent Director on the Board at all times as per Section 149 of the Act and Regulation 17 of SEBI LODR was not complied till August 13, 2025.

3. The board approved appointment of chairperson of the Board, at the Board Meeting held on May 28, 2025, with the participation of only two directors for the said specific item, as the director interested in the item debarred himself from the participation.

4. Till May 27, 2025, the Nomination and Remuneration Committee of the Board of Directors was not duly constituted and Committee had less than minimum three members as required under Section 178 of the Companies Act, 2013 read with Regulation 19 of the SEBI LODR. During this period the functions of the Committee were discharged by the Board.

5. During the period under review, BSE and NSE has imposed fines for non-compliance of Regulations 17(1), 19(1) and 19(2) of SEBI LODR, 2015 from time to time. The fines were duly paid by the company within time limit.

6. In respect of the Show Cause Notice dated January 17, 2025, issued by SEBI, for alleged violation of provision of Regulation 17(1C) of SEBI LODR, the Company had opted for settlement mechanism provided under the SEBI (Settlement Proceedings) Regulations, 2018 for the settlement of show cause notice in the financial year 2024-25. As per settlement order dated November 14, 2025, upon payment of the Settlement Amount, the pending enforcement proceeding for the alleged default are settled qua the applicant.

7. The Company received a Show Cause Notice dated April 30, 2025, from Registrar of Companies, Mumbai, Ministry of Corporate Affairs under Section 206(4) of the Companies Act, 2013, for alleged violations of certain provisions of the Companies Act, 2013. The Company had duly filed the response to the said SCN on May 30, 2025.

8. The SEBI, under Section 3 & 4 of the SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 ("PFUTP Regulations") and Section 12A of SEBI Act, 1992, issued Show Cause Notice dated February 12, 2026, to the Company and Dish Infra Services Private Limited (WOS of Company), as co-notice (s), in the matter of Zee Entertainment Enterprises Limited, alleging violations relating to certain business transactions. Thereafter, the Company and its WOS has filed an 'Application for Settlement' in terms of the provisions of SEBI (Settlement Proceedings) Regulations, 2018, which is currently pending. The Company does not anticipate that Show Cause Notice will have any material adverse impact.

Board Response:

The non-compliance of composition of the Board of Directors including appointment of woman independent director on the Board or Board Committees, primarily arose on account of non-approval of the appointment of Directors by the Shareholders of the Company from time to time. In addition, the Company was also bound by the Guidelines for Up-linking and Downlinking of Satellite Television Channels in India, 2022, issued by the Ministry of Information and Broadcasting ('MIB') which prescribes for prior approval of the MIB before appointment of any Director on the Board unless the number of Directors on the Board is less than 3 Directors, in which case, the Company has the right to appoint upto 3 Directors and seek subsequent approval of the MIB. The Board/Nomination and Remuneration Committee in its capacity has always taken requisite and timely steps to ensure compliance with respect to the minimum number of Directors required on the Board / Committees of the Company, including appointment of Independent Woman Director.

The Board and the management have always made conscious efforts to comply with all the applicable laws and regulations, including Listing Regulations, the Act and the Up-linking Guidelines of MIB. It is stated that the non-compliance of certain provisions of Listing Regulations and the Act, which occurred during the period under review occurred due to circumstances which were beyond the control of the Company. It is also mentioned that the Stock Exchanges *viz*. National Stock Exchange of India Limited and BSE Limited, imposed fine on the Company on account of the above referred non-compliances in terms of the SOP's of the exchanges. While the Company has paid the fine in the prescribed timelines, the Board/Nomination and Remuneration Committee in its capacity has always taken requisite and timely steps to ensure compliance with respect to the minimum number of Directors required on the Board / Committees of the Company, including appointment of Independent Woman Director and the quorum requirements. The said non-compliances were beyond the control of the Company, the Board and the Management and primarily arose on account of non-approval of the appointment of Directors by the Shareholders of Company from time to time.

As regard the Show Cause Notice received by the Company from SEBI for alleged violation of provision of Regulation 17(1C) of the Listing Regulation in relation to failure to obtain prior approval of shareholders for the continuation of office of Director during the period from June 25, 2022 to September 19, 2022, while the said continuation was basis legal opinions sought in this regard from eminent firms, however, in order to avoid a prolonged litigation and in the interest of a speedy resolution of the matter, the Company had filed the application for settlement under the SEBI (Settlement Proceedings) Regulations, 2018 ("Settlement Regulations") without admitting or denying the findings of fact and conclusions of law in the SCN. SEBI *vide* its Settlement Order No.: SO/SM/KS/2025-26/8382 dated November 14, 2025 ('Order') disposed of the proceedings initiated under the Show Cause Notice dated January 17, 2025 ('SCN') with respect to alleged non-compliance of the provisions of Regulations 17(1C) of the Listing Regulations upon payment of Rs. 11,72,500/- (Rupees Eleven Lacs Seventy Two Thousand Five Hundred Only) by the Company. The Company has duly paid the said amount on December 9, 2025, and accordingly the matter is settled.

With respect to the Show Cause Notice dated February 12, 2026, the Company and its WOS are taking necessary action in this matter and to avoid protracted litigation an 'Application for Settlement' has been filed in terms of the provisions of SEBI (Settlement Proceedings) Regulations, 2018. The said application is currently under consideration by SEBI. The Company does not anticipate that SCN will have any material adverse impact.

The other remarks made by the Secretarial Auditor are self-explanatory.

SECRETARIAL AUDIT REPORT

(For the Financial Year ended March 31, 2026)

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members

Dish TV India Limited

1st Floor, Gala No 121, Hindustan Kohinoor Industrial Complex,

Lal Bahadur Shastri (LBS) Marg, Vikroli (West),

Mumbai - 400083, Maharashtra

I have conducted the Secretarial Audit of the compliances of applicable statutory provisions and the adherence to good corporate practices by **Dish TV India Limited** (hereinafter called "**the Company**"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of the Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the **Financial Year ended on March 31, 2026 ("Audit Period"),** complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I. I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the period ended on March 31, 2026 according to the provisions of:

   i. The Companies Act, 2013 ("the Act") and the Rules made thereunder including any re-enactment thereof;

   ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

   iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

   iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment;

   v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

      a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

      b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

      c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

      d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (*Not Applicable to the Company during the Audit period*);

      e) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations 2021;

      f) Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 (till December 15, 2025) *(not applicable during the review period)*;

g) Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 2025 (with effect from December 16, 2025) *(not applicable during the review period)*;

h) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 *(Not Applicable to the Company during the Audit period)*;

i) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (*Not Applicable to the Company during the Audit period*); and

j) Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018 *(Not Applicable to the Company during the Audit period*).

II. I further report that, Specific laws applicable to the industry to which the Company belongs, as identified and compliance whereof as confirmed by the management are:

(a) The Telecom Regulatory Authority of India Act, 1997 and applicable regulations/ tariff orders thereunder;

(b) Policy Guidelines for Uplinking of Television Channels issued by the Ministry of Information & Broadcasting;

(c) Policy Guidelines for Downlinking of Television Channels issued by the Ministry of Information & Broadcasting;

(d) The Telecommunication (Broadcasting and Cable) Services Register of Interconnection Agreements and All Such Other Matters Regulations, 2019;

(e) The Telecommunication (Broadcasting and Cable) Services Interconnection (Addressable Systems) Regulations, 2017 read with amendments;

(f) The Telecommunication (Broadcasting and Cable) Services Standards of Quality of Service and Consumer Protection (Addressable Systems) Regulations 2017 read with amendments;

(g) The Telecommunication (Broadcasting and Cable) Services (Eighth) (Addressable Systems) Tariff Order, 2017 read with amendments;

(h) The Cable Television Networks (Regulation) Act, 1995 read with Amendments and the Cable Television Network Rules 1994 read with amendments;

I have also examined compliance with Secretarial Standards with regard to Meeting of Board of Directors (SS-1) and General Meetings (SS-2), issued by The Institute of Company Secretaries of India (ICSI).

III. During the audit period under review, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above. However, during the audit period:

1. the number of Directors on the Board were less than the minimum number of directors required as per Regulation 17(1) of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"). As per the SEBI LODR, the Board of Directors of the Listed Entity shall be comprised of not less than six directors. Accordingly, the composition of the Board of Directors was not as per Regulation 17 of SEBI LODR throughout the audit period. The composition of the Board was not being complied with due to non-approval of the resolutions for the appointment of Directors by the shareholders of the Company and requirement of having prior approval of the Ministry of Information and Broadcasting before appointing any Director on the Board of the Company, in terms of the Guidelines for Up-linking and Downlinking of Satellite Television Channels in India, 2022.

   However, company has obtained the approval from the shareholders for appointment of two Non – Executive Independent Directors through Postal Ballot on 17th April, 2026 for a period of five years w.e.f. 14th August, 2025 after obtaining the approval of sectoral regulator - Ministry of Information and Broadcasting. Appointment of one Non-Executive Independent Director was also approved by the shareholders effective from the date of receipt of the approval of the Ministry of Information and Broadcasting as stipulated under 'Policy Guidelines for Uplinking and Downlinking of Television Channels' and the appointment was effective from May 13, 2026.

2. During the year under review, the requirement of having minimum 1 Woman Independent Director on the Board at all times as per Section 149 of the Act and Regulation 17 of SEBI LODR was not complied till August 13, 2025.

3. The board approved appointment of chairperson of the Board, at the Board Meeting held on May 28, 2025, with the participation of only two directors for the said specific item, as the director interested in the item debarred himself from the participation.

4. Till May 27, 2025, the Nomination and Remuneration Committee of the Board of Directors was not duly constituted and Committee had less than minimum three members as required under Section 178 of the Companies Act, 2013 read with Regulation 19 of the SEBI LODR. During this period the functions of the Committee were discharged by the Board.

5. During the period under review, BSE and NSE has imposed fines for non-compliance of Regulations 17(1), 19(1) and 19(2) of SEBI LODR, 2015 from time to time. The fines were duly paid by the company within time limit.

6. In respect of the Show Cause Notice dated January 17, 2025, issued by SEBI, for alleged violation of provision of Regulation 17(1C) of SEBI LODR, the Company had opted for settlement mechanism provided under the SEBI (Settlement Proceedings) Regulations, 2018 for the settlement of show cause notice in the financial year 2024-25. As per settlement order dated November 14, 2025, upon payment of the Settlement Amount, the pending enforcement proceeding for the alleged default are settled qua the applicant.

7. The Company received a Show Cause Notice dated April 30, 2025, from Registrar of Companies, Mumbai, Ministry of Corporate Affairs, under Section 206(4) of the Companies Act, 2013, for alleged violations of certain provisions of the Companies Act, 2013. The Company had duly filed the response to the said SCN on May 30, 2025.

8. The SEBI, under Section 3 & 4 of the SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003 ("PFUTP Regulations") and Section 12A of SEBI Act, 1992, issued Show Cause Notice dated February 12, 2026, to the Company and Dish Infra Services Private Limited (WOS of Company), as co-notice (s), in the matter of Zee Entertainment Enterprises Limited, alleging violations relating to certain business transactions. Thereafter, the Company and its WOS has filed an 'Application for Settlement' in terms of the provisions of SEBI (Settlement Proceedings) Regulations, 2018, which is currently pending. The Company does not anticipate that Show Cause Notice will have any material adverse impact.

I further report that compliance of applicable financial laws including Direct and Indirect Tax laws by the Company has not been reviewed in this Audit as same are subject to review by the Statutory Auditors and other designated professionals.

IV. I further report that:

a) At the end of the review period, the Board of Directors of the Company is comprised of only three directors and, subject to para II (1) to (2) hereinabove, the Board of Directors of the Company is having proper balance of Executive Directors, Non-Executive Directors, Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

b) Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Please also refer to our comments of para II (4) to (7) hereinabove in this regard.

c) As per the minutes of meetings duly recorded and signed by the Chairman, the decisions of the Board and committees were carried through with unanimous consent and no dissenting views have been recorded as part of the minutes.

I further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

V. I further report that,

1. during the year 2017-18, the Hon'ble National Company Law Tribunal, Mumbai Bench vide order dated July 27, 2017 had approved the amalgamation of Videocon D2H Limited into and with the Company and the

Company had issued fully paid-up equity Shares of the Company of Re. 1/- (one each), on March 26, 2018, to the eligible equity shareholders of Videocon D2H Limited in exchange. However, out of the total issue of 857,785,642 fully paid equity shares, the Board of the Company allotted 775,256,159 fully paid Equity Shares of Re.1/- each and allotment of 82,529,483 equity shares was kept in abeyance owing to counter claims lodged with the Company. Subsequently, the Hon'ble National Company Law Tribunal, Mumbai Bench *vide* Order dated April 26, 2018 and Hon'ble Delhi High Court *vide* order dated August 2, 2018 directed the Company to keep the allotment of 82,529,483 fully paid Equity Shares of Re.1/- each in abeyance and to maintain a *status quo* in the matter till further orders in this regard.

2. During the year 2024-25, the Company had received a notice dated 21/09/2024 from MCA regarding investigation into the affairs of Videocon Industries Limited u/s 212 of the Companies Act, 2013 - calling information u/s 217(2). Further, the Company (addressed to Videocon D2H Limited) has also received a notice dated 10/10/2024 from MCA regarding investigation into the affairs of Trend Electronics Limited u/s 212 of the Companies Act, 2013 - calling information u/s 217(2). Both the notices have been duly replied by the Company.

3. In relation to the ongoing dispute with respect to the applicability, computation and payment of DTH License Fees between the Company and Ministry of Information and Broadcasting ("MIB"), a Writ petition was filed by the Company before the Hon'ble High Court of Union Territory of Jammu and Kashmir and Ladakh, at Jammu wherein *inter-alia* the quantum/ applicability of License Fee and imposition of interest has been challenged by the Company. In the said petition, *vide* order dated October 13, 2015, the Hon'ble High Court had allowed the interim prayer of the Company. This order continues to be in force. Similar writs are also pending before the Hon'ble Supreme Court of India. Despite the matter being sub-judice, the Company had received a communication dated December 24, 2020 from the MIB, wherein the Company was directed to pay the license fee for the period from date of issuance of DTH License till FY 2018-19. However, the MIB, in the said communication, had also mentioned that the amount was subject to reconciliation based on outcome of CAG audit and the outcome of various court cases pending before Hon'ble TDSAT, the Hon'ble High Court of Jammu & Kashmir and Ladakh and the Hon'ble Supreme Court of India. The Company had adequately responded to the said communications disputing the demand. Subsequently, MIB issued similar notices on the same line, the last being the notice dated December 30, 2025, wherein an amount of ₹ 7202.73 Crore was claimed by MIB for the period from the date of issuance of DTH License till FY 2024-25 (including interest thereon as on December 31, 2025). All the previous communications including the communication dated December 30, 2025 has also been suitably responded by the Company in the similar lines.

Expected Dividends	The shares issued under stock options shall rank *pari-passu*, including the right to receive dividend. Expected dividend payouts to be paid during the life of the option reduce the value of a call option by creating drop in market price of the stock. Adjustments for known dividend payouts over the life of the option are made to the formulae under Black Scholes method. However, in the present case, as the life of the option is greater than one year, there is considerable difficulty in estimating the amount and time of future dividend payouts with certainty. Hence, future dividend payouts have not been incorporated in the valuation analysis.				

(b)	the method used and the assumptions made to incorporate the effects of expected early exercise	Not Applicable
(c)	how expected volatility was determined, including an explanation of the extent to which expected volatility was based on historical volatility	Volatility is a measure of the amount by which a price has fluctuated or is expected to fluctuate during a period. Each vest has been considered as a separate grant. The volatility for periods corresponding to the respective expected lives of the different vests, prior to the grant date has been considered. The daily volatility of the Company's stock price on National Stock Exchange of India Limited over these years has been considered.
(d)	whether and how any other features of the option grant were incorporated into the measurement of fair value, such as a market condition	Not Applicable

REPORT ON CORPORATE GOVERNANCE

Pursuant to Regulation 34 (3) read with Part C of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

At Dish TV India Limited ('the Company' / 'Dish TV'), Corporate Governance is regarded not merely as a statutory requirement, but as a strategic imperative and a shared responsibility across the organisation. Our governance framework is firmly anchored in the Company's core values of Collaboration, Speed and Agility, Customer-Centricity, Innovation, Frugality, Respect and Humility, Integrity, the ability to Solve Complex Challenges, and the pursuit of Bold and Ambitious Goals. These values guide our decision-making, strengthen accountability and transparency, and foster a culture of responsible and sustainable growth.

These principles form the foundation of our business ethos and guide decision-making at every level of the organisation. The Company remains committed to maintaining the highest standards of transparency, accountability and ethical conduct, while fostering sustainable, long-term value creation for all stakeholders. Our robust governance framework promotes fairness, equity and integrity across our operations, strengthens stakeholder confidence and enables the Company to pursue consistent, responsible and sustainable growth.

We view good governance as a continuous journey towards excellence, accountability and ethical conduct. We recognise that a Company, as a public institution, carries a broader responsibility towards society and its stakeholders. Accordingly, we regard our stakeholders—including shareholders, customers, employees, investors, regulators and the wider community—as valued partners in our journey. We remain committed to safeguarding their interests and fostering trust, while creating sustainable and enduring value through consistent performance, innovation and responsible growth.

Effective corporate governance is underpinned by a clear understanding of the distinct roles, responsibilities and accountabilities of the Board of Directors, its Committees and the Senior Management Team. Our governance philosophy is centred on the following principles:

(a) Conducting business with the highest standards of ethics and integrity, while ensuring compliance with all applicable laws, regulations and internal policies;

(b) Upholding our responsibility towards all stakeholders and fostering trust through transparency, open communication and responsible disclosure;

(c) Promoting a culture of excellence through continuous capability building, strong leadership and accountability at every level of the organisation; and

(d) Continuously strengthening and evolving our governance practices to respond effectively to changing business and market dynamics, emerging risks and stakeholder expectations.

We regard ethical conduct and sound corporate governance as fundamental pillars of sustainable business growth. We are committed to upholding the highest standards of transparency, fairness, integrity, equity and accountability in our engagements with customers, business partners, employees, regulators, investors and the wider community. Our leadership and employees continuously strive to enhance their knowledge, skills and capabilities to meet stakeholder expectations and uphold the highest standards of ethical conduct. The Company is committed to complying with all applicable laws, regulations and statutory requirements in the conduct of its business.

The Company places strong emphasis on establishing, strengthening and continuously improving robust corporate governance practices. This commitment forms the foundation of our efforts to build and sustain stakeholder confidence and trust, which are integral to our long-term strategic objectives, responsible growth and operational excellence.

The Company's Corporate Governance framework is designed to ensure that its policies, decisions and actions appropriately reflect its responsibilities towards its stakeholders. Transparency and timely disclosure are integral to this framework, subject to the protection of the legitimate business interests and privacy of the Company and its stakeholders. These principles are embedded in the Company's vision and business strategy, enabling the organisation to remain responsive and resilient in a rapidly evolving business environment and to continuously improve its performance and governance standards.

We believe that an active, well-informed, diverse and independent Board of Directors is fundamental to maintaining the highest standards of corporate governance. The Company has established a well-defined internal governance structure, with clearly articulated roles, responsibilities and accountability across its various constituents. The shareholders appoint the Directors, which provides overall governance, oversight and strategic direction to the Company. The Board, in turn, has constituted various Committees to assist in the effective and efficient discharge of its responsibilities and to provide focused oversight of key areas of the Company's operations.

The Chairman, Chief Executive Officer and Executive Director provide leadership and strategic direction to the organisation within the framework of the governance principles established by the Board. The Senior Management Team supports the implementation of the Company's strategy, policies and objectives while maintaining appropriate standards of accountability and ethical conduct.

Going forward, the Company will continue to deploy its resources, capabilities and strategies towards creating and safeguarding long-term value for its stakeholders. At the same time, we remain committed to protecting the legitimate interests of all stakeholders and conducting our business with integrity, transparency and accountability. These principles are central to our endeavour to build, strengthen and retain the trust and confidence of our stakeholders.

This section, together with the sections on 'Management Discussion and Analysis', "Business Responsibility and Sustainability Report" and "General Shareholders' Information", forms part of the Company's disclosures in compliance with Regulation 34 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

A report on compliance with the principles of Corporate Governance as prescribed under Listing Regulations is given below:

BOARD OF DIRECTORS

The Board of Directors serves as the cornerstone and custodian of corporate governance at Dish TV. It plays a pivotal role in defining and evaluating the Company's strategic direction, overseeing management policies and assessing their effectiveness to ensure that the long-term interests of shareholders are safeguarded. The Company firmly believes that a proactive, well-informed and engaged Board is essential to maintaining high standards of corporate governance. The Company's policy is to have an appropriate blend of executive, independent and non-independent directors to maintain independence of the Board and to separate the Board functions of governance from that of management.

All statutory, material and significant information is presented to the Board in a timely manner, enabling it to discharge its fiduciary responsibilities effectively. This approach reflects the Company's commitment to its governance philosophy and to serving the interests of all stakeholders with integrity and transparency.

The Board of Directors is the primary stakeholder influencing the standards of, and practices relating to corporate governance. Your Company's integrated governance framework is based on the principle of fairness, integrity, transparency and accountability which stimulate the roles and responsibilities of the Board of Directors ('the Board') and Senior Management.

The Board oversees how the management safeguards the interests of all stakeholders. The Company's strategic direction, management policies and their effectiveness is critically evaluated by the Board from time to time. The Board also oversee the short and long-term interests of shareholders and other stakeholders while exercising independent judgment. The day-to-day management of the Company is entrusted to the Key / Senior Management Personnel who operates under the superintendence and direction of the Board.

a) Composition and Category of Directors

Also, at the said Annual General Meeting, Dr. (Mrs.) Rashmi Aggarwal ceased to be the Independent Director of the Company, upon completion of her second term. Consequent to which the Board's strength reduced to two (2) Directors.
- The Board at its Meeting held on September 29, 2023, appointed Mr. Rajesh Sahni and Mr. Virender Kumar Tagra, as Non-Executive Non-Independent Directors, with effect from September 29, 2023, subject to the shareholders' approval. Accordingly, the Board strength stood at Four (4) Directors on the Board.
- The Board at its Meeting held on October 21, 2023, re-appointed Mr. Shankar Aggarwal, as an Independent Director, for the period from October 25, 2023 to October 24, 2028, subject to the shareholders' approval.
- The Nomination and Remuneration Committee and the Board at their respective meetings held on December 18, 2023, appointed Mr. Ravi Bhushan Puri as the Whole-time Director of the Company for the period from December 22, 2023 to September 30, 2024, and appointed Mr. Sunil Khanna as an Independent Director, for the period from December 22, 2023 to December 21, 2028, both being subject to approval of the Shareholders. Further, basis on the votes cast by the shareholders at the Extra Ordinary General Meeting held on December 22, 2023, Mr. Shankar Aggarwal and Ms. Aanchal David vacated the office of Independent Directors, and Mr. Rajesh Sahni and Mr. Virender Kumar Tagra, vacated the office of Non-Executive Directors. Consequent to which the Board's strength reduced to two (2) Directors.
- The Board at its Meeting held on January 22, 2024, appointed Ms. Sonal Bankim Parekh, as an Independent Director, for the period from January 22, 2024 to January 21, 2029, subject to the shareholder's approval. Accordingly, the Board strength stood at Three (3) Directors on the Board.
- The Board at its Meeting held on March 15, 2024, appointed Mr. Manoj Dobhal, the Chief Executive Officer, as Whole-time Director of the Company, for the period from March 15, 2024 to March 14, 2027, subject to approval of the Shareholders. Accordingly, the Board strength stood at Four (4) Directors on the Board.
- Also, the Board at its Meeting held on March 15, 2024, appointed Ms. Ritu Kaura, as an Independent Director, for the period from March 21, 2024, to March 20, 2029, subject to approval of the Shareholders. Further, basis the votes cast by the shareholders at the Extra Ordinary General Meeting held on March 21, 2024, Mr. Sunil Khanna and Ms. Sonal Bankim Parekh vacated the office of Independent Directors and Mr. Ravi Bhushan Puri, vacated the office of Whole-time Director. Consequent to which the Board's strength reduced to two (2) Directors.

  The aforesaid non-compliances with respect to composition of the Board and consequential non-compliance of the composition of the Board Committees, arose on account of non-approval of the appointment/re-appointment of Directors by the Shareholders of Company from time to time and resignation of Directors. The Board/Nomination and Remuneration Committee in its capacity has always taken requisite and timely steps to ensure compliance with respect to the minimum number of directors required on the Board and Board Committees of the Company.

ii. Quorum of the Board Meeting:

As mentioned above, due to reduction in number of Directors on the Board of the Company to two Directors, the Board Meetings held on June 26, 2023, September 29, 2023, and January 22, 2024, were attended by two Directors only, which is in default of Regulation 17(2A) of Listing Regulations, governing the quorum provisions.

The non-compliance of Regulation 17(2A) of the Listing Regulations in respect of Quorum requirement, was purely due to reduction in the Board strength which was primarily on account of non-approval of shareholders for the appointment of Directors and requirement of prior approval of the Ministry of Information and Broadcasting for appointment of new Director, and that the same were beyond the control of the Board or the Company.

In respect of the non-compliances mentioned in para 2(i) and 2(ii) above, the Stock Exchanges *viz*. National Stock Exchange of India Limited and BSE Limited imposed penalties on the Company in terms of their SOP. The penalties have been paid within the prescribed timelines and the Company will also file the waiver applications, upon compliance of the respective regulation, where applicable, since the non-compliances were beyond the control of the Company, Board and the Management.

iii. Delay in filing disclosure under Listing Regulations:

Pursuant to Regulation 23(9) of the Listing Regulations, in respect of filing of related party disclosure for the half year ended March 31, 2024, the Company was required to file the said disclosure on the date of publication of the financial results for the year ended March 31, 2024. There was a delay by one day in filing the said disclosure of related party transactions for the quarter ended March 31, 2024.

The Company informed the exchanges that while the Company was trying to file the said disclosure within the prescribed timelines however due to technical reasons, the same could not be filed within the prescribed time limit and hence there was a delay of one day in filing of aforesaid disclosure. The said delay was without any malafide / wilful intention on the part of the Company or any of its directors. The penalties have been paid within the prescribed timelines.

2. During the Financial Year 2024-25, the details of non-compliances and reasons thereof are as under:

Non-compliance of certain provisions of Listing Regulations and the Act in respect of Composition of the Board and Board Committees:

i. Composition of the Board:

- The Board at its Meeting held on April 30, 2024, appointed Mr. Mukesh Chand, as an Independent Director, for the period from April 30, 2024, to April 29, 2029, subject to the shareholder's approval. Accordingly, the Board strength stood at Three (3) Directors on the Board.
- Ms. Ritu Kaura, resigned as an Independent Director, from the close of business hours of May 13, 2024, consequent to which the Board's strength reduced to two (2) Directors.
- The Board at its Meeting held on May 20, 2024, appointed Mr. Manish Khandelwal, as Independent Director, for the period from May 20, 2024, to May 19, 2029, subject to the shareholder's approval. Accordingly, the Board strength stood at Three (3) Directors on the Board.
- The Board at its Meeting held on June 10, 2024, appointed Ms. Garima Bharadwaj and Mr. Azeezuddin Mohammad, as Independent Directors, for the period from June 14, 2024, to June 13, 2029, both being subject to approval of the Shareholders. Further, basis on the votes cast by the shareholders at the Extra Ordinary General Meeting held on June 14, 2024, Mr. Mukesh Chand and Mr. Manish Khandelwal, vacated the office of Independent Directors. Further, at the said Extra Ordinary General Meeting, appointment of Mr. Manoj Dobhal as Whole-time Director approved by the shareholders with requisite majority. Accordingly, the Board strength stood at Three (3) Director on the Board.
- The Board at its Meeting held on September 12, 2024, appointed Mr. Parag Agarawal and Mr. Amit Singhal, as Independent Directors, for the period from September 13, 2024, to September 12, 2029, both being subject to approval of the Shareholders. Further, basis on the votes cast by the shareholders at the Annual General Meeting held on September 13, 2024, Ms. Garima Bharadwaj and Mr. Azeezuddin Mohammad, vacated the office of Independent Directors. Accordingly, the Board strength stood at Three (3) Directors on the Board.

- The Board at its Meeting held on December 11, 2024, appointed Mr. Mayank Talwar and Mr. Gurinder Singh, as Independent Directors, for the period from December 12, 2024, to December 11, 2029, both being subject to approval of the Shareholders. Further, basis on the votes cast by the shareholders through postal ballot concluded on December 12, 2024, Mr. Parag Agarawal and Mr. Amit Singhal, vacated the office of Independent Directors. Accordingly, the Board strength stood at Three (3) Director on the Board.

  The above said non-compliances with respect to composition of the Board and consequential non-compliance of the composition of the Board Committees, arose on account of non-approval of the appointment/re-appointment of Directors by the Shareholders of Company from time to time and resignation of Director. The Board/Nomination and Remuneration Committee in its capacity has always taken requisite and timely steps to ensure compliance with respect to the minimum number of directors required on the Board and Board Committees of the Company.

In respect of the non-compliances mentioned in para 3(i) above, the Stock Exchanges *viz*. National Stock Exchange of India Limited and BSE Limited imposed penalties on the Company in terms of their SOP. The penalties have been paid within the prescribed timelines and the Company will also file the waiver applications, upon compliance of the respective regulation, where applicable, since the non-compliances were beyond the control of the Company, Board and the Management.

3. During the Financial Year 2025-26 and upto the date of this report, the details of non-compliances and reasons thereof are as under:

a) Non-compliance of certain provisions of Listing Regulations and the Act in respect of Composition of the Board and Board Committees:

i. Composition of the Board:

- Basis the votes cast by the shareholders at the Annual General Meeting held on August 14, 2025, Mr. Mayank Talwar and Mr. Gurinder Singh, vacated the office of Independent Directors. Further, the Board at its Meeting held on August 12, 2025, appointed Mr. Arun Kumar Kapoor and Ms. Heena Naishadh Bhatt, as Independent Directors, for the period from August 14, 2025 up to August 13, 2030, both being subject to approval of the Shareholders, consequent to which the Board's strength stood at three (3) Directors. The Shareholders on April 17, 2026 approved the appointments of Mr. Arun Kumar Kapoor and Ms. Heena Naishadh Bhatt.
- Also, on April 17, 2026, the appointment of Mr. Ashok Anant Paranjpe as a Non-Executive Independent Director of the Company for a first term of 5 (five) consecutive years was approved by the shareholders, whose appointment was to be effective upon receipt of approval from the MIB.
- MIB vide its communication dated May 12, 2026, granted its interim approval for appointment of Mr. Ashok Anant Paranjpe, as Director of the Company and that the continuation of office of Directorship of Mr. Ashok Anant Paranjpe is conditional upon receipt of approval of Ministry of Home Affairs. The said approval has been received by the Company on May 13, 2026. Accordingly, the appointment of Mr. Ashok Anant Paranjpe as a Non-Executive Independent Director of the Company has become effective from May 13, 2026 for a first term of 5 (five) consecutive years commencing from May 13, 2026 to May 12, 2031 (both days inclusive), cconsequent to which the Board's strength stood at four (4) Directors.

The above said non-compliances with respect to composition of the Board and consequential non-compliance of the composition of the NRC, arose on account of non-approval of the appointment of Directors by the Shareholders of Company. The Board/Nomination and Remuneration Committee in its capacity has always taken requisite and timely steps to ensure compliance with respect to the minimum number of directors required on the Board and Board Committees of the Company.

In respect of the non-compliances mentioned in para 3(i) above, the Stock Exchanges *viz*. National Stock Exchange of India Limited and BSE Limited imposed penalties on the Company in terms of their SOP. The penalties have been paid within the prescribed timelines and the Company will also file the waiver applications, upon compliance of the respective regulation, where applicable, since the non-compliances were beyond the control of the Company, Board and the Management.

b) Delay reporting of Disclosure to Stock Exchanges:

Mr. Sugato Banerji, consultant - Business, ceased to be a part of Senior Management of the Company upon completion of the contractual period between him and the Company, with effect from close of business hour of March 31, 2025. Disclosure with respect to cessation of Senior Management was submitted with stock exchanges on April 2, 2025 with the delay of 1 day. The said delay in filling of disclosure had occurred inadvertently due to oversight and without any malafide/ wilfull intention on the part of the Company or any of its Directors.

c) Settlement with SEBI

With respect to the Show Cause Notice issued to the Company in the previous financial year, pertaining to alleged violation of Regulation 17(1C)_of the Listing Regulation, in order to avoid a prolonged litigation and in the interest of a speedy resolution of the matter, the Company had filed the application for settlement under the SEBI (Settlement Proceedings) Regulations, 2018 ("Settlement Regulations") without admitting or denying the findings of fact and conclusions of law in the SCN. As per settlement order of SEBI dated November 14, 2025, upon payment of the Settlement Amount, the pending enforcement proceeding for the alleged default are settled.

Management Discussion & Analysis

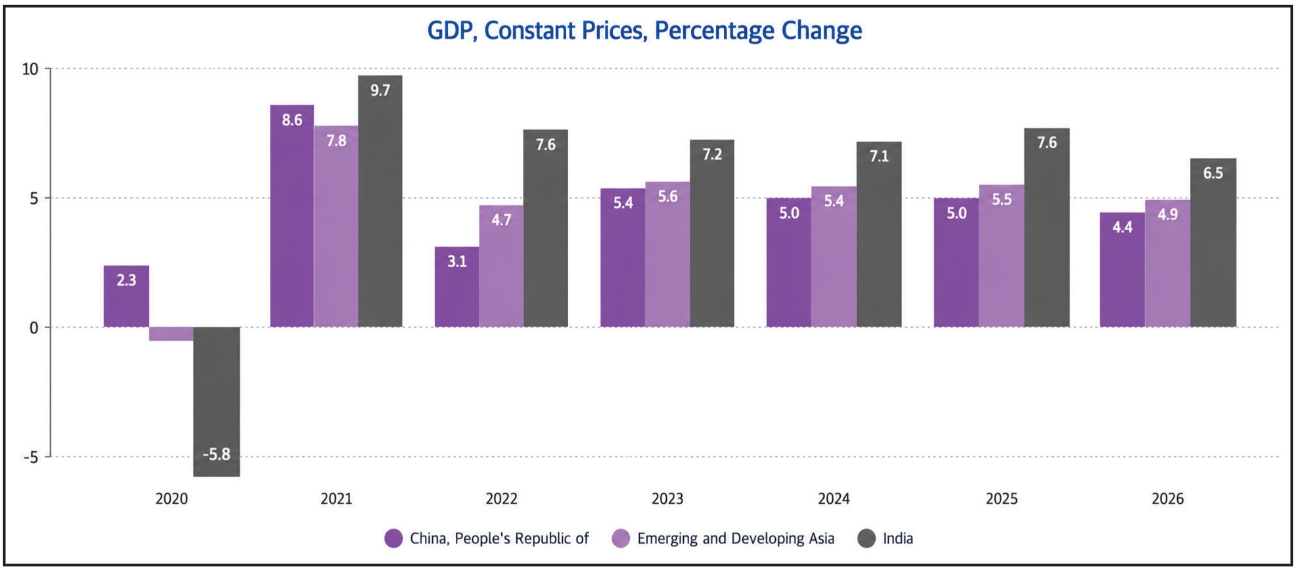
ECONOMIC OVERVIEW

Global Economy

Global economy exhibited resilience by registering growth of 3.5% amid geopolitical tensions and uncertainties in 2025[1]. The energy-importing and vulnerable economies experienced the war shock with currency depreciation and higher energy and food prices during the year. The supply chain uncertainties driven by trade restrictions, tariffs, and geopolitical disruptions also adversely affected the price of all hardware components and memory chips[2]. However, technology-driven business investment surge, fiscal and monetary policy support and a weaker US dollar lifted the economies.

Advanced economies grew by 1.9% while Emerging Markets and Developing Economies (EMDEs) grew by 4.5% during 2025. Among advanced economies, the US, Spain and Other Advanced Economies witnessed more than 2% growth on the backdrop of technology-related investments and fiscal cushioning measures.

However, EMDEs observed substantial growth driven by China, India and other developing economies' performance. India remained one of the fastest-growing economies with 7.7% GDP growth during 2025, followed by China with 5.6% growth.



X-Axis: Year 2020-2026 Y-Axis: Growth Percentage

https://data.imf.org/en/dashboards/weo%20dashboard

Global headline inflation remained at 4.1% within the target levels in 2025. However, this disinflation has paused, showing upward movement, compelling the International Monetary Fund to revise the estimates to 4.7% in 2026. Inflation continues to be driven by surging energy prices in 2026. As per the World Economic Outlook Update (July 2026), global output is estimated to grow at 3.0% in 2026, slightly lower than 2025 as downside risks from renewed conflict and financial market re-pricing continue. Semi-conductor's memory capacity diversion from consumer electronics to AI servers across the globe[4], the tight production of DDIC (Display Driver Integrated Circuit) used in TVs, monitors, PCs, and increasing fabrication, packaging and testing costs driven by rising metal prices have continued to inflate the price of all hardware components and chips[3].

Though the global economy may face a decline in output and rise in inflation in 2026, the estimates for growth and inflation remain favourable in 2027. Global growth and inflation are projected at 3.4% and 3.9%, respectively, for 2027, on the backdrop of faster AI adoption and alleviated uncertainties.

Indian Economy

Indian economy has shown stellar performance by registering growth across various sectors and continuing growth of more than seven per cent for the last three years. Strong consumption, increasing rural demand, digitalization, and policy alignment continue to support growth. Amid global uncertainties and trade barriers, India witnessed a high growth due to macroeconomic stability, rising private investments, and resilient domestic fundamentals.

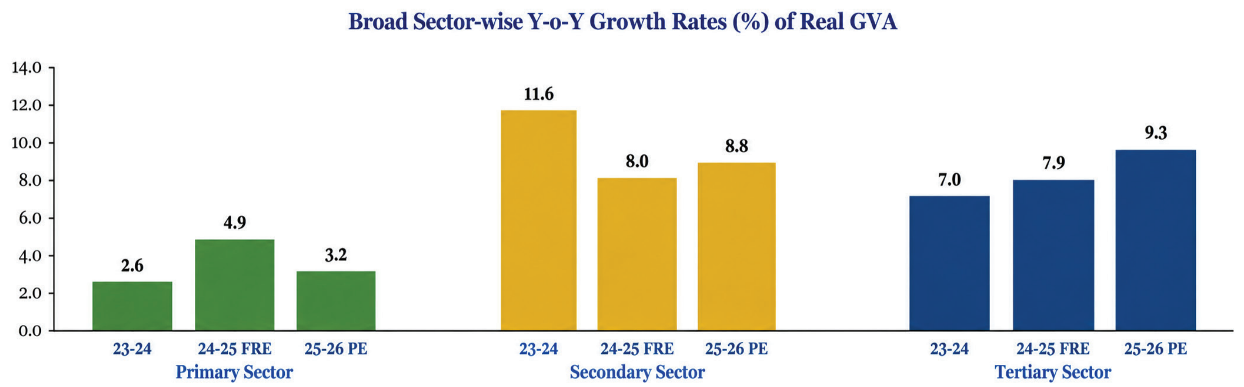
Real GDP grew by 7.7% during FY26, driven by an 8.8% increase in Secondary and a 9.3% rise in Tertiary Sector outputs[4]. Manufacturing and communication and other services attained double-digit growth during the period.



Primary Sector: Agriculture, Livestock, Forestry & Fishing and Mining & Quarrying
Secondary Sector: Manufacturing; Electricity, Gas, Water supply & Other Utility Services and Construction
Tertiary Sector: Trade, Hotels, Transport, Communication and Services related to Broadcasting, Storage; Financial, Real Estate, IT, & Professional Services, Ownership of Dwelling and Public Administration, Defence & Other Services]

The economy also witnessed 7.5% growth in Gross Fixed Capital Formation, reflecting the current and future momentum of the activities. On the demand side, Private Final Consumption Expenditure grew by 7.5%, showing households' positive sentiment.[4]

As per MoSPI's recent data, retail inflation based on Consumer Price Index remained within target levels at 3.48% during April 2026 as against 3.34% in April 2025. At the same time, food inflation based on the Consumer Food Price Index remained at 4.2% in April 2025 against 2.69% in the previous period, driven by price rises in essential food items.[5]

Indian economy is expected to grow 6.9% during FY27 as per the RBI report, supported by robust domestic demand, healthy growth in secondary and tertiary sectors, increased investments, rising export services and subsided conflicts[6]. The fiscal measures, controlled inflation, AI integration, foreign direct investments, fintech, and policy support to manufacturing will provide the required momentum to economic activities to keep the nation on the growth trajectory.

INDUSTRY OVERVIEW

Global Media & Entertainment (M&E) industry

The global entertainment and Media Industry registered more than 3% growth during 2025 and has been valued at USD 3.12 trillion. It is expected to grow at a CAGR of 3.93% and reach USD 3.78 trillion by 2030. As per a Mordor Intelligence report, the technological changes will help align the content as per evolving consumption patterns, leading to industry expansion despite moderate growth expectations.[7]

The legacy media entities are transitioning to digital streaming, CTV, AI integration, and experiential entertainment. Considering video-format popularity among increasing smartphone and CTV users, they are allocating more funds for ad-supported video streaming. The number of smart screen users is increasing rapidly in emerging economies of China, India, Brazil and others, driving demand. On the other hand, the publishers are increasingly leveraging advanced software, artificial intelligence, virtual production and localization to cut costs and drive productivity.[8]

As per a recent PWC report, the global entertainment and media industry is likely to witness growth in advertising, connectivity and consumer spending, while recording revenue growth of 4.6% in 2026. Cinema, Live Music, out-of-home, Trade shows and Online Betting will also grow considerably within five years, driven by digital advertising at a CAGR of 9.2%. Retail and traditional paid searches will rise at a CAGR of 7.2% through 2030, driving ad revenue[7].

On the other hand, audiences will consume more content from scrolling streams, creators and AI-driven recommendations. For viewer retention, the operators will offer bundling, while conventional media players will collaborate with them.

India's Media & Entertainment (M&E) industry

India's M&E industry continued to transform and grew by 9% to ₹ 2.78 trillion during 2025. It contributes 0.8% of the country's GDP, supports 2.75 million direct jobs and creates indirect employment for more than 10 million people. As per the FICCI-EY M&E report, the industry is expected to reach ₹ 2.86 trillion in 2026 and ₹ 3.3 trillion by 2028.[9]

Increasing advertising expenditure, digital subscriptions, premium content and continuous expansion of digital platforms fuelled the growth. Here is the snapshot of segment-wise performance of the industry during 2025.

Segment	2023 (₹ billion)	2024 (₹ billion)	2024 Growth (%)	2025 (₹ billion)	2025 Growth (%)
Live Events	88	101	14.8%	145	43.6%
Digital Media	686	851	24.1%	1,110	30.4%

Television	711	679	-4.5%	617	-9.1%
Online & Video Games	236	236	0.0%	195	-17.4%
Total M&E Industry	2,422	2,553	5.4%	2785	9.1%

- Live events emerged as the fastest-growing segment with 43.6% growth over the previous year, driven by ticketed events, exhibitions, government events and others.
- Digital media registered 30.4% and remained the largest media segment led by OTT, digital advertising and subscriptions.
- Out of Home (OOH) Media grew by 13.6%, driven by premium locations and accelerated digital OOH adoption.
- Music segment registered 11.3% growth, driven by licensing, OTT platforms, events and branded content.
- Filmed entertainment grew by 9.6% with a large number of releases and record theatrical revenues supported by higher ticket prices.
- Print segment grew by 0.8%, maintaining its resilience with stable advertising and event-led revenues.
- Animation and VFX segment registered 1.9% growth due to global content slowdown.
- Radio and television segments went in reverse. Radio growth declined due to low advertising rates and changing listener behavior, while the television segment witnessed a slump in revenue amid digital migration.
- Online & video games declined by more than 17% due to regulatory restrictions on money gaming.

India's Media Distribution Ecosystem

India's media distribution landscape is becoming increasingly digital, interconnected and viewer-centric. Television caters to the masses, particularly across regional areas, while OTT platforms target premium locations to induce personalized viewing experience with content on demand. Digital platforms, social media and news apps have become primary sources of audience engagement.

Key Trends in Indian M&E Industry

Evolving consumer preferences, technological innovation and changing monetization models are transforming Indian M&E industry. Key trends shaping the industry are as under,

- **Digital-first Consumption and Advertising:** Audiences increasingly prefer digital platforms for news, sports, entertainment and interaction for on-demand experiences, decreasing content consumption on linear media.
- **CTV Surge:** CTV households have increased by 33% to 40 million in 2025, driven by improved broadband connectivity and smart TV adoption. They create new opportunities for premium content distribution and targeted advertising.
- **Demand for Regional Content:** A large audience seeks vernacular content across Tier II, Tier III and rural markets, encouraging media investment in regional storytelling.
- **First-party Data and Analytics:** Media companies seek audience data and use analytics to optimize distribution strategy, improve audience engagement and publish targeted ads.
- **Rise of Creator Economy:** Independent creators, influencers and digital publishers are increasing and engaging audiences. They are building followings that expand their brand collaboration opportunities.
- **Short-form Video Popularity:** Reels and short-form videos draw significant consumer attention, encouraging publishers to develop mobile-friendly content.
- **Digital Advertising Shift:** Businesses are moving their advertising budgets from linear media to CTV, e-commerce and digital media, supported by precision advertising and AI-powered campaign optimization.
- **Convergence of TV and OTT:** Media players are combining linear channels with OTT platforms, Intellectual Property TV and unified content discovery for a seamless viewing experience by consumers.
- **AI-driven Personalization:** Artificial intelligence enables personalized content recommendations, multilingual distribution, and audience segmentation, and improves audience engagement.
- **Growth of Free Ad-supported Streaming:** Free ad-supported streaming television (FAST) channels and ad-supported videos on demand (AVOD) are becoming attractive distribution avenues that widen the audience base and create new advertising opportunities.

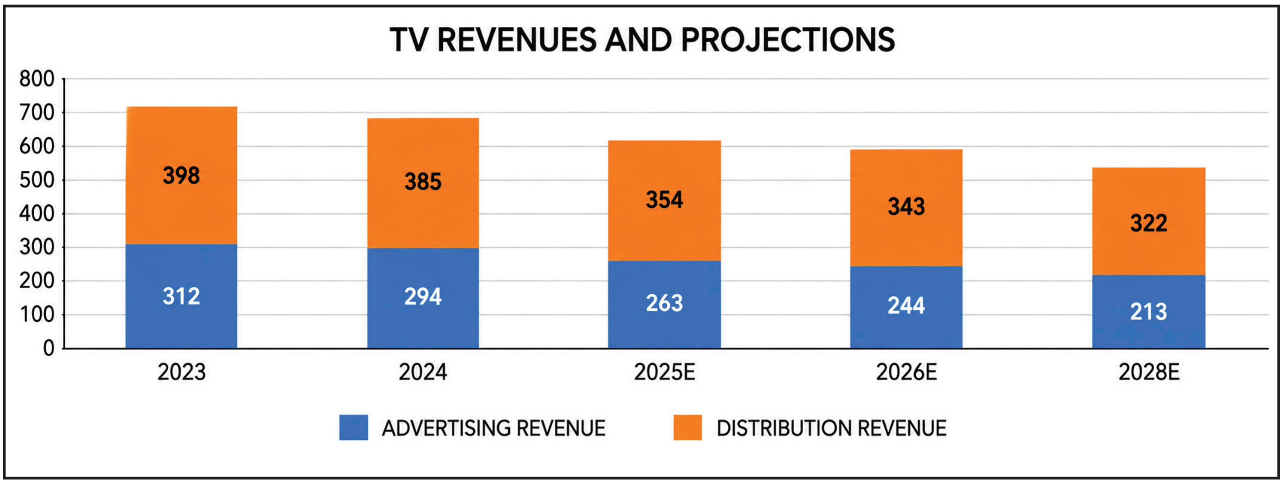
- **Distribution Consolidation:** Cable and DTH operators are entering into broadband and IPTV services, reshaping the distribution system.

Television Segment in India

Television remained the largest mass-reach medium, registering an increase in reach by 3 million households to 193 million in 2025 in India. The number of TV channels increased to 956 due to the addition of FTA (free-to-air) channels, while the number of multi-system operators declined to 818 during 2025. The growth in reach was supported by the expansion of CTVs and Free TV. In India, CTVs witnessed a surge to 68 million monthly active sets in 2025. Television continued to entertain around 745 million weekly viewers as a significant media segment. However, broadband dominance, smartphone penetration and the 5G boom changed the dynamics of the distribution industry.

Indian Television Industry (₹ in billion/million)

Though the television reach increased, its advertising and subscription revenues declined by 9.2% from ₹ 679 billion in 2024 to ₹ 617 billion in 2025 due to the digital shift of the audiences and advertisers.[9]



Linear TV advertising revenue declined by 10.3% with reduced advertising volumes and number of advertisers in 2025. Linear TV observed 11.5% decline in ad volumes as businesses opted for point-of-sale advertising.[9]

A 63% chunk of Advertising revenue was captured by digital media, leaving only 17% to television and 12% to print segments, in 2025. A 5% decline (from 22% in 2024 to 17% in 2025) was noticed in television's share in the total ad revenue. Distribution revenue decreased by 8.3% due to loss of Pay TV households, while ad revenues on CTVs grew by 42% to ₹ 99 billion, making combined revenue stable. Despite an increase of 2.4% in TV ARPUs, the subscription/distribution revenue declined to ₹ 288 billion due to viewers' shifts to other media segments.[9]

Outlook

The FICCI-FY report projects TV reach to cross 200 million households by 2028 and linear TV revenue to fall by 5% until 2028. However, it anticipates CTV reach of 83 million households by the end of five years and ad revenue growth of 18%, to reach ₹ 164 billion by 2028. Pay TV is expected to compete with digital, OTT and social media platforms, while FTA channels will deepen for 53 million Free TV households. Integration of Pay TV and broadband services will accelerate the bundled offerings. The broadcasters and distribution platform operators will enhance pricing and packaging to protect Pay TV and offer smarter bundles at differentiated price points. About 71% of digital video subscriptions are bundled via telcos/e-commerce. In short, TV distribution is in a consolidation phase to maintain scale, pricing and cost efficiency.[9]

Media distribution partners are transitioning from traditional cable connections to platform-led aggregators. They are focusing on digital convergence, hybrid packaging, and heavy consolidation. The conventional distribution partners are introducing smart, Android-enabled boxes that provide access to linear and OTT apps. Multisystem Operators (MSOs) are actively pivoting to broadband bundling, allowing dual or triple-play of traditional video feeds with broadband for subscriber retention. At the same time, smaller regional players are amalgamating into larger networks while some digital infrastructure groups are shifting from pure-play cable to data and internet delivery.

III. OTT and Digital Platforms

- **Watcho** - Watcho is the Company's in-house OTT super app streaming content across mobile, tablet, and connected TV devices, integrating live TV, original programs and OTT and aggregating content. It offers entertainment houses such as JioHotstar, Z5, SonyLIV, Lionsgate Play, Hungama Play, HoiChoi, Klikk, EpicOn, Chaupal anda Oho Gujarati besides Amazon Prime Video.

- **FLIQS -** FLIQS is a curated, creator-driven OTT platform within Watcho, focusing on premium, short-form content in diverse languages. It acts as a creator-economy enabler by ensuring full intellectual property rights of the creators and enhances content production, mobile engagement, and subscriber retention.
- The OTT offerings are being further evolved and brought under the VZY brand umbrella

IV. Hybrid and Integrated Products

- **Dish TV Smart+ -** Launched in FY25, Dish TV Smart+ bundles DTH and OTT content at no extra cost. It is a first-in-industry initiative which allows cross-device accessibility and unified entertainment access. With this, the Company plans to phase out conventional set-top boxes and reduce capital expenditure.
- **VZY Entertainment Ecosystem -** The Company launched VZY Entertainment Ecosystem to cater to the demand for a simpler and more connected viewing experience. VZY consolidates DTH, OTT, smart TV, and streaming into a single integrated brand ecosystem and simplifies entertainment consumption for digitally-aspirational audience.

V. Value-added Services

- **Active Services -** The Company continues to offer active and interactive services such as Music Active, Games Active and Jobs Active by layering them on top of the linear broadcast viewing. These services engage the consumers beyond passive watching.
- **Multilingual Services -** Company's multilingual services allow customers to watch their programmes in Hindi, Kannada, Telugu, Marathi, Gujarati, Bengali, and Urdu — covering India's major language markets. The multilingual services enable regional content monetization across the Company's subscriber base.
- **Movie on Demand / Pay-Per-View -** Dish TV India Limited provides movie on demand and pay-per-view services to subscribers beyond their subscription packs. Such services generate incremental revenue from the existing subscriber base.
- **Regional Content -** During FY26, Dish TV announced and began to offer enhanced services to South Indian households, allowing regional language preferences, affordable entertainment access, and seamless everyday viewing experiences. This move reflects the Company's strategic focus on regional content to acquire and retain subscribers. The localization focus has driven strong performance in various regions including South India, West Bengal, Odisha and Maharashtra.

VI. B2B and Technology Services

- **Teleport Services -** Dish TV operates in the teleport services segment and provides satellite uplink, signal transmission, and broadcasting infrastructure services to broadcasters, media companies, and content providers who require reliable satellite distribution for their channels and content.
- **ShopZop –** The Company runs an e-commerce B2S (business-to-subscriber) platform – ShopZop through a new subsidiary, Dish Bharat Venture Private Limited. The platform enables subscribers to purchase products directly through the DTH platform. In this way, it has created a commerce revenue layer on top of the entertainment subscription model while leveraging its large subscriber base as a captive shopping audience.
- **Order Management -** Dish TV operates an order management technology platform (OMTP) that provides technology infrastructure for subscription management, distributor order processing, and customer service operations across its pan-India distribution network.
- **Infra Support Services -** The Company provides Infra Support Services supporting its D2H and teleport businesses. The Infra Support Services include technical support, installation services, and network maintenance through its nationwide service franchisee and direct service center network.

VII. Content Hub:

- **New Launch - Content India -** The Company launched Content India – a major industry marketplace and B2B conference initiative in partnership with C21 Media – a premier global entertainment business publisher and event organizer in the UK. It is a physical and digital trade hub for buying, selling and co-producing content across borders, helping content creators, studios, media technology companies, content buyers and platforms to tap into global and regional opportunities.

Business Strengths

Established Brands and Infrastructure: Dish TV India Limited has secured pioneer status by launching the first DTH services in India. This status gives an easy brand recall to millions of users. Nonetheless, the company has a massive bandwidth capacity of over 1044 MHz powered by satellites. It has established an extensive reach across India by deeply penetrating urban, semi-urban and rural regions.

Extensive Distribution Service and Footprint: The Company holds a vast network of over 2,000 distributors and more than 1,00,000 dealers in India and multiple customer call centres across multiple cities supporting 12 different languages. This helps reach and cater to the interiors of India with lower OTT reach.

Wide Content and Product Offerings: Dish TV manages its core brands (Dish TV, D2H and Watcho), provides extensive channel packages (750 channels, HD option, regional viewing) and offers smart connected devices (VZY smart TV, smart Set-top box). Dish TV combines linear channels, Pay TV and aggregated OTT services within a single app, emerging as it integrated OTT platforms into the Watcho App, enabling seamless content access across multiple screens. With these offerings, it has evolved into a comprehensive entertainment platform accessible across multiple screens.

Diversified and Multiple Offerings: The Company operates a distribution and publishing service portfolio comprising Dish TV, D2H, Watcho and Zing Super brands. The conventional brands have distinct region-wise presence while Watcho and Zing Super engage audiences with OTT content and PayTV offerings respectively. Nonetheless, the diversified portfolio caters to the audience by providing products at multiple price points.

Original and Extensive Content Access: Dish TV's in-house OTT platform - Watcho - features a variety of original content, making it popular among youth and socially aware consumers. The platform is backed by a vast digital content library and a single subscription system, aiming to drive app downloads to 100 million by the end of FY26. Nonetheless, recently launched property Content India will enhance the library across OTT and DTH platforms with international and regional content deals.

Multi-domain Presence – The Company operates in five different domains – content creation and aggregation, commerce, technology innovation, customer service, and talent acquisition through its five startups in an integrated manner. It has entered e-commerce with the ShopZop platform and electronic devices with the VZY smart TV launch. Dish TV India Limited leverages this multi-venture structure to capitalize on the emerging market opportunities and spread the business risk across diverse domains. It underscores agility and domain expertise within each startup for rapid innovation, response to evolving content consumption patterns and overall sustainable growth.

Business strategies

Comprehensive Content Ecosystem: The Company has come a long way in the media industry from DTH provider to full-fledged entertainment platform to a regional and international content aggregator. It has responded to the changing media landscape and consumer and advertiser preferences. The Company has collaborated with C21 Media and launched Content India – an online and offline content trade hub. It will connect content buyers, creators and tech companies for cross-border publication, help source content for core brands and diversify revenue.

Shift towards Hybrid Entertainment: The Company focused on building a hybrid entertainment system with the launch of VZY smart TV powered by Google TV, combining 29+ streaming apps with live TV during FY26. This launch is likely to diversify its revenue streams and expand its distribution reach in the forthcoming period against the backdrop of comprehensive offerings. Dish TV India Limited is integrating DTH and OTT via Watcho digital engagement by scaling short-form and multilingual content. Its Dish TV Smart+ brand allows content access on any screen, anytime and anywhere. It is adapting to anticipated government regulations for built-in satellite television tuners and phasing out box subsidies.

Focus on Core Brand Customer: Dish TV India Limited plans to continue consumer retention and acquisition initiatives by offering exclusive benefits along with recharge for DTH and Dish TV. It has rolled out specialized South Indian entertainment bundles to reduce churn and capture local viewing habits. Cashback incentives are provided to reward the repeat recharge by the customers.

The Company contemplates upgrading to advanced set-top boxes to stay relevant to the young audience. It continues to attract its versatile device offering access to FTA and Pay TV channels. Dish TV combines popular online channels to engage with customers and address their concerns. It has redesigned its acquisition strategies by introducing innovative programs and collaborating with Samsung Key TV, CloudWalker, RailWire and others to enhance reach, consumer experience and loyalty.

Operational Efficiency: Dish TV leverages AI-driven and NLP-based data analytics to have insights into consumer behaviour across Dish and Non-dish platforms for customized retention and strict cost controls amidst declining subscription revenue.

Distribution Coverage Expansion: The Company constantly endeavours to maintain a strong and dedicated distribution network through various initiatives. It began micro distribution initiatives by connecting with Dish TV partners and appointing freelancers in the last quarter of FY26 to penetrate every part of India. It identifies markets for D2H and Dish TV segments to extend to these markets. It offers diverse products and value-added services to sustain its conventional business.

Push to Creators: Watcho's curated OTT platform, FLIQS, allows young creators to showcase their content to a wider audience while retaining creator rights over content. It features exclusive, award-winning and premium digital content comprising films, web series, short-form videos and others. It offers the content in multiple regional and international languages.

Advanced Technology Solutions: Dish TV continues to invest in technology, recognizing the vital role of technology in the dynamic media industry. It has a suite of websites and mobile apps empowered by AI-powered chatbots and an advanced content management system. It is one of the few media companies that have IT systems certified with Capability Maturity Model Integration (CMMI), Maturity Level 5(ML5), Version 2(V2) (Development and Services) (DEV & SVC) and International Organization for Standardization Standard (ISO) 20000-2018. The Company has integrated a QR-code system into the technician app, capturing signal strength and quality to maximize productivity. It has also put in place robust cybersecurity measures to protect against cyber threats.

OUTLOOK AND OPPORTUNITIES

Dish TV India Limited takes note of the structural shifts in the media and entertainment industry and braces itself for future challenges by modifying, diversifying and expanding its offerings. It continues to offer wide content options across linear channels and OTT platforms while venturing into smart TV and scaling the content aggregation domain. It remains aligned with technological advancements to evolve content consumption patterns. Dish TV faces immense competition from government-supported distribution services and telcos, while the digital shift adversely impacts the reach and revenue. It implements new strategies to engage and retain both existing and potential subscribers.

Watcho, VZY and Zing brands stay strong with FLIQS and a blend of FTA and Pay TV, respectively, while ShopZop – a quick commerce platform remains popular with businesses with starter inventory of over 4000 products, creating a non-DTH revenue stream. It officially went live on August 11, 2025 and was connected with the VZY Smart TV ecosystem during September 2025.

Dish TV diversified its business, entering the smart TV segment and content aggregation. It launched VZY Smart TV that integrates both linear and OTT content and the Content India property - a physical and digital content trade hub. These segments will unlock new opportunities and revenue streams to progress in the future. Dish TV aims to capture substantial revenue from non-DTH businesses by 2027. The Company continues to adopt and leverage technology and deliver seamless entertainment experiences through its offerings. The segments hold a bright future promises to confidently drive the better performance in the forthcoming period.

OPERATIONAL PERFORMANCE

The overall trends in the DTH industry show a declining subscriber base due to other alternatives, including FTV, CTV and a digital shift by the audience. The Company's DTH subscriptions declined due to high churn rates in line with the industry patterns. Dish TV maintained operational efficiency by improving the quality of new subscriber acquisitions and lowering set-top box capital expenditure. This helped the Company optimize cash flows for new business investments and fund VZY Smart TV and Content India ventures through internal accruals.

The Company witnessed a considerable decline in revenue due to the availability of other competitive options while expenses increased, leading to negative performance. However, the Smart TV Segment has opened a new revenue stream and clocked ₹ 100 crore in sales in FY26, reviving the performance of the Company. Dish TV is also optimistic about its new property – Content India.

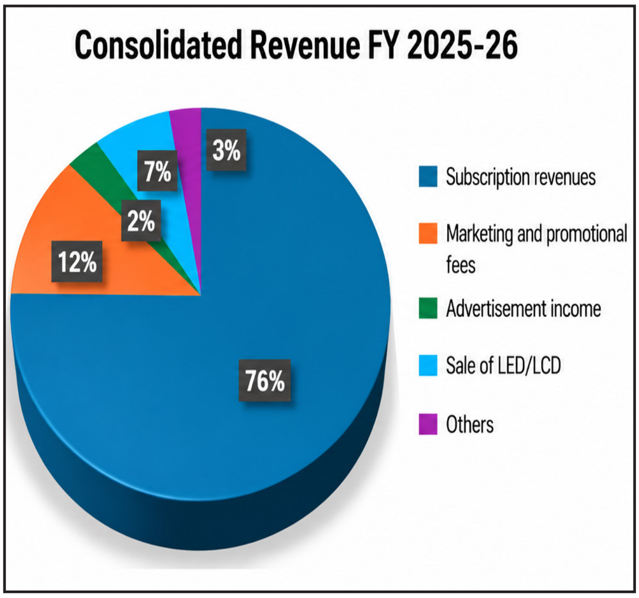
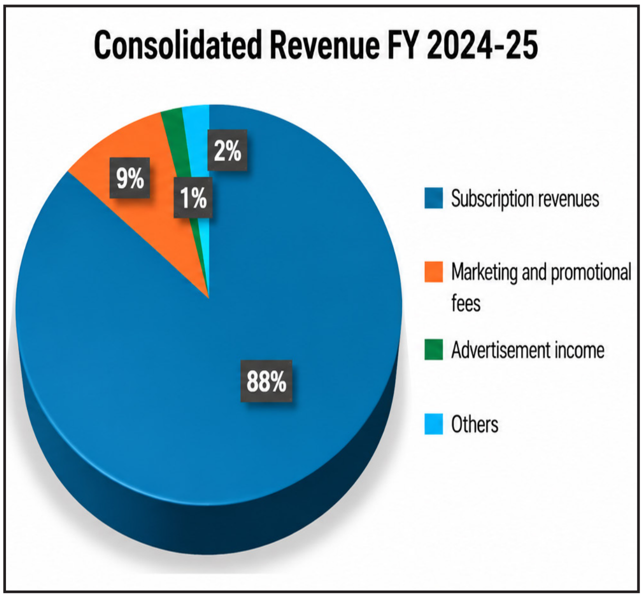
Dish TV's operating revenues are generated from subscriptions, marketing and promotional fees, sale of LEDs/LCDs, advertisement and others.

Composition of Revenue from Operations





The Company reported operating revenue of ₹ 116,261 lacs during FY26 as against ₹ 156,760 lacs in the previous year. This 25.84% decline is attributed to a reduction in Pay TV subscribers and consumer-end ARPUs, leading to a continued drop in the major revenue stream of subscription. The EBITDA for FY26 stood at ₹ (688) lacs as against ₹ 52,908 lacs in the previous year.

Depreciation expenses declined by 5.74% to ₹ 41,386 lacs during the year from ₹ 43,906 lacs in the previous year, while finance costs rose nominally by 0.43% to ₹ 26,980 lacs during FY26. Finance costs mainly include interest on regulatory dues. Loss before exceptional items reached ₹ 66,116 lacs in FY26 from ₹ 15,228 lacs in FY25. Exceptional items reduced from ₹ 33,538 lacs in FY25 to ₹ 14,348 lacs in FY26. The Company reported a net loss of ₹ 80,736 lacs in the financial year 2025-26 as against ₹ 48,766 lacs in the previous financial year.

Significant Movements in Key Financial Ratios

Ratio	FY 2025-26	FY 2024-25	Change (%YoY)	Reason for variations more than 25%
Debtors Turnover (x)	10.01	7.67	30	Debtors turnover ratio improved primarily due to higher credit sales during the year and relatively efficient collection of receivables, resulting in improved receivables turnover.
Inventory Turnover (x)	5.09	1.03	393	Inventory turnover ratio improved significantly due to commencement and scale-up of the LED business segment, leading to higher inventory consumption and faster inventory movement during the year.
Interest Coverage Ratio (x)	NA	NA	NA	Not Applicable, as the Company did not have any interest-bearing borrowings during the year.
Current Ratio (x)	0.08	0.12	(33)	Current ratio declined mainly due to reduction in current assets, particularly other current assets, during the year.
Debt Equity Ratio (in times)	NA	NA	NA	Not Applicable, as the Company did not have any debt outstanding during the year.
Operating Profit Margin (%)	(36.19)	5.74	(730)	Operating profit margin declined significantly primarily on account of a substantial reduction in revenue from operations, particularly subscription revenue, coupled with the relatively fixed nature of certain operating costs.
Net Profit Margin (%)	(69.44)	(31.11)	(123)	Net profit margin deteriorated primarily due to lower subscription revenue during the year, which adversely impacted overall profitability.
Return on Networth – RoNW (%)	(19.97)	(15.04)	(33)	Return on Net Worth decreased primarily due to lower profitability resulting from decline in revenue from operations, particularly subscription revenue during the year.

RISKS AND MITIGATION

Dish TV India Limited operates in a dynamic media distribution environment and is exposed to inherent risks associated with the industry and business continuity. It prudently mitigates risks by leveraging opportunities and implementing a systematic risk management framework for identification, assessment and mitigation of emerging risks within time. The framework strengthens business resilience and helps achieve strategic and operational objectives. The following delineates the risks and mitigation measures by the Company.

Technology Risk

Risk: Connected TVs, OTT platforms, and internet-enabled streaming devices have disrupted traditional DTH technology infrastructure. Dish TV India Limited faces the risk of obsolescence of set-top box hardware, satellite capacity underutilization and inability to keep pace with fast-evolving consumer technology preferences.

Mitigation: The Company repositioned itself as a broader connected entertainment company with VZY smart TVs, integrating Amazon Prime Video across Watcho, Dish TV, VZY Smart TVs and strengthening FLIQS – creator-driven platform. It is building cloud-native streaming infrastructure and subscriber content delivery platform and investing in AI recommendation engine, billing modernization, and content management system upgrade. These all develop a future-ready hybrid technology system that does not depend on DTH hardware and addresses evolving customer preferences.

Regulatory Risk

Risk: Dish TV operates in the broadcasting and DTH segment, which is subject to various regulations by the Ministry of Information and Broadcasting, the Ministry of Electronics and Information Technology and the Telecom Regulatory Authority of India. Their regulations govern the Company's key operational aspects such as pricing and content packaging. Moreover, changes in licensing norms, tariff regulations, content guidelines, spectrum policies, and taxation may also impact business operations and profitability.

Mitigation: Dish TV puts its best endeavours to comply with the mandates by the regulators. The Company maintains a close oversight of all applicable guidelines and regulations and aligns its policies, systems and business practices to ensure compliance while minimizing regulatory risks.

Cyber Security and IT Risk

Risk: Dish TV is vulnerable to cybersecurity risks as a digital content distribution company and DTH service provider. The cybersecurity risks include data breaches, unauthorized access, network disruptions, service outages and ransomware attacks affecting customer trust and business continuity.

Mitigation: The Company has established a strong cybersecurity framework ensuring continuous network monitoring, multi-layered security controls, data backup mechanisms, and regular system upgrades. It also conducts periodic vulnerability assessments and employee awareness programs to safeguard critical systems and confidential information.

Geopolitical and Economic Risk

Risk: The geopolitical conflicts among different countries across the world often lead to inflation in essential commodities or higher trade barriers. They pose a risk of an increase in input prices, which may lead to higher costs for the Company. Moreover, Dish TV is a part of a broader economy and industry, and its performance is closely connected to the overall economic condition of the country. Economic slowdowns often lead to reduced consumer spending on entertainment.

Mitigation: Television has become an integrated and essential part of people's lives, making it less vulnerable to economic downturns. Moreover, the Company offers various packages at different price points, facilitating selection by the consumers as per their affordability. Its wide-ranging content, multiple channel inclusion and personalized offerings aid in engaging consumers in a challenging environment.

Competition Risk

Risk: Dish TV faces competition from OTT platforms, telecom operators, digital streaming services and digital streaming services. Changes in consumer preferences and technology and pricing pressures from competitors may impact subscriber growth, customer retention and revenue generation.

Mitigation: The Company enhances its content offerings and customer experience and adopts a competitive pricing strategy to retain subscribers. It expands value-added services, strengthens distribution networks, and invests in technology to improve subscriber base, engagement and retention.

Capital-intensive Business Risk

Risk: Media distribution infrastructure entails substantial investment in cutting-edge broadcasting, set-top boxes, IT equipment, content delivery technologies, customer service centers, and distribution network. The Company requires this investment to align with technological advancements and stay relevant.

Mitigation: The Company is slowly phasing out the subsidies given on set-top boxes and launching new business initiatives, leveraging its infrastructure and distribution support system. It recognizes technological developments in the industry and proactively adopts cost-efficient strategies, integrating new technology within time. It maintains competitive pricing and ensures effective cost management.

INTERNAL CONTROL SYSTEMS AND ADEQUACY

Dish TV has developed a comprehensive internal control framework that reflects its dedication to ethical business practices and integrity. The Company supports efficient operations, robust financial oversight, asset security and the mitigation of fraud and errors, while ensuring adherence to industry-specific and regulatory requirements. Dish TV regularly monitors and assesses the effectiveness of its controls to proactively manage risks and apply necessary corrective measures. The Company's internal audit team conducts objective and systematic evaluations to enhance control mechanisms, operational processes, resource management and organizational structure. Dish TV maintains rigorous Corporate Governance standards through risk-focused audits and routine reviews of financial, operational and compliance controls. The Company's internal control framework is integral in aligning daily operations with both long-term strategies and immediate goals. Dish TV's Board of Directors carries out quarterly reviews of the control systems and key audit findings, ensuring timely resolution of issues and implementing measures to continuously enhance the effectiveness of internal controls.

HUMAN RESOURCES

At Dish TV India Limited, we believe that human resources are the driving force behind our company's operational excellence, productivity and sustainable growth. The Company is committed to fostering a supportive environment that motivates employees, improves their skills and brings the best out of them. It underscores employee development to prepare them for future roles and develop loyalty. Dish TV promotes open dialogues and inclusive engagement by organizing SAMWAD meets. Its flat hierarchy, a reward-driven culture and access to leadership nurture a transparent, collaborative yet performance-oriented workspace. The Company continued to invest in developing capabilities and encourage active participation of employees in media distribution platforms to align them with evolving trends. Its employee strength was 293 as on March 31, 2026.

FINANCIAL STATEMENTS FY 2025-26

INDEPENDENT AUDITOR'S REPORT

To the Members of Dish TV India Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Dish TV India Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31 March 2026, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of material accounting policy information and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act (Ind AS) and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 4(b) to the standalone financial statements, which indicates the existence of conditions that may cast significant doubt on the Company's ability to continue as a going concern. However, the standalone financial statements of the Company have been prepared on a going concern basis for the reasons as stated in the said Note.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How the matters were addressed in our audit
Impairment assessment of investment and loan	
As described in Note 9, 10, 37 and 39 to the standalone financial statements, the Company has carrying value of investment (including equity component of long-term loan and guarantees) of Rs. 511 lacs (net of provision for impairment of Rs. 5,15,378 lacs) and non-current loan of Rs.141,365 lacs (net of provision for impairment of Rs. 2,700 lacs) as on 31 March 2026.	Our audit procedures to address this key audit matter included, but were not limited to the following: a. We have performed detailed discussions with the management to understand the impairment assessment process, assumptions used, and estimates made by management and tested the operating effectiveness of the controls implemented by management.

Key Audit Matters	How the matters were addressed in our audit
Management's assessment of impairment of investment and loan requires significant estimation and judgement with respect to certain inputs used and assumptions made to prepare the forecasted financial information, which is used to fair value such amounts, using discounted cash flow model. Key assumptions used in include expected growth rates, estimates of future financial performance, market conditions, capital expenditure and discount rates, among others. Based on the management's assessment, impairment loss of Rs. 59,209 lacs (previous year Rs. 19,775 lacs) has been recognised during the year in the standalone financial statements. Considering the materiality of the amounts involved and significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, we have determined impairment of such investment and loan as a key audit matter.	b. We obtained the impairment assessment carried out by the management and reviewed the valuation report obtained by management from an independent expert; c. We assessed the professional competence, objectivity and capabilities of the third-party expert considered by the management for performing the required valuations to estimate the recoverable value of Investment and loan given; d. We involved valuation experts to assess the appropriateness of the valuation model used by the management and its independent expert and reasonableness of assumptions made by the management relating to discount rate, risk premium, industry growth rate, etc. to assess their recoverability; e. We evaluated the inputs used by the management with respect to revenue and cost growth trends, among others, for reasonableness thereof; f. We evaluated the adequacy of disclosures made by the Company in the standalone financial statements in view of the requirements as specified in the Indian Accounting Standards.
Assessment of Provisions and contingencies relating to regulatory and tax matters	
As described in Note 29, 50, 53, 58 and 59 to the standalone financial statements, the Company has significant amount of contingent liabilities (net of provision) disclosed in the standalone financial statements in respect of matters (tax / legal) pending at various forums. The management of the Company has assessed the possible outcome of the above matters including the assessment towards the outflow of resources. The management seek support from subject matter experts in this regard. The above assessment involves lot of judgement and estimates which includes interpretation of statutes, review of amendments / enactments, etc. Consequently, and considering the materiality, the above have been identified as key audit matter.	Our audit procedures to address this key audit matter included, but were not limited to the following: a. We obtained an understanding, evaluated the design and tested the operating effectiveness of internal controls relating to identification, evaluation, recognition of provisions, disclosure of contingencies for matters under review or appeal with relevant adjudicating authorities by considering the assumptions and information used by management in performing this assessment. b. Completeness and accuracy of the underlying data / information used in the assessment. For selected tax matters, with the help of our tax specialist, we evaluated the reasonableness of the management's positions by considering tax regulations and past decisions from tax authorities, new information and opinions obtained by the Company from its external tax advisors, where applicable. c. We considered external legal opinions, where relevant. d. We also evaluated the disclosures provided in the notes to the standalone financial statements concerning these matters.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our Auditor's Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained during our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard as the said report is expected to be made available to us after the date of our report.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report to the extent applicable that:

a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph 2(j)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

e) The matter described in the Material uncertainty related to Going Concern section above, in our opinion, may have an adverse effect on the functioning of the Company.

f) On the basis of the written representations received from the directors as on 31 March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

g) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(j)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

h) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

i) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements (Refer Note 29, 50, 53, 58 and 59 to the standalone financial statements).

ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company (Refer Note 27 to the standalone financial statements).

iv. (a) The Management has represented that, to the best of it's knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented, that, to the best of it's knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

v. The Company has not declared or paid any dividend during the year and has not proposed final dividend during the year.

vi. Based on our examination which included test checks, the Company, has used multiple accounting software for maintaining its books of account for the financial year ended 31 March 2026, which has a feature of recording audit trail (edit log) facility except that no audit trail enabled at the database level for one of its accounting software to log any direct data changes. Further, the audit trail facility has been operating throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

Additionally, for the periods where the audit trail (edit log) facility was enabled and operated, audit trail has been preserved by the Company as per the statutory requirements for record retention.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of the Independent Auditor's Report of even date to the members of Dish TV India Limited on the standalone financial statements as of and for the year ended 31 March 2026)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit and to the best our knowledge and belief, we state that:

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and right of use assets.

(B) The Company has maintained proper records showing full particulars of Intangible assets recognised in the standalone financial statements.

(b) The property, plant and equipment, other than right of use assets and consumer premise equipment (CPE), have been physically verified by the Management once in a three year, which, in our opinion, is reasonable having regard to the size of the Company and nature of its assets. Pursuant to the above program, the Company has carried out the physical verification during the year. No material discrepancies were noticed on such verification. The existence of CPEs installed at the customers' premises can be verified on the basis of the 'active user status'. Accordingly, we are unable to comment on the discrepancies, if any, that could have arisen on physical verification of CPEs.

(c) The title deeds of following immovable property (which was transferred as a result of business combination in earlier years) is still registered in the name of the erstwhile transferor Company:

Description of property	Gross carrying value (Amount in Rs. Lacs)	Held in name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in name of Company
Land	2,607	Videocon d2h Limited	No	Held since 1 October 2017	The right of use of land is vested in the Company pursuant to the Scheme of Merger of Videocon d2h Limited with the Company. Subsequent to the reporting date, the title deed relating to the said land has been transferred in the name of the Company.

(d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year. (Refer note 61(x) of the standalone financial statements)

(e) There are no proceedings which have been initiated or are pending against the Company for holding benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and Rules made thereunder. (Refer note 61(i) of the standalone financial statements)

(ii) (a) The Company does not have any inventory. Accordingly, the provisions of clause 3(ii)(a) of the Order are not applicable.

(b) The Company has not been sanctioned any working capital limits in excess of rupees five crore, security of current assets. Accordingly, the provisions of clause 3(ii) (b) of the Order are not applicable.

(iii) During the year, the Company has not made investments in, provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships (LLPs) or any other parties. Accordingly, the provisions of clause 3(iii)(a) - (f) of the Order are not applicable.

(iv) The Company has not granted any loan, made investment or provided guarantees and securities that are covered under Section 185 of the Act. In our opinion, the Company has complied with the provisions of Sections 186 of the Act in respect of loans granted and investments made. The Company has not provided guarantee and security under Section 186 of Companies Act, 2013.

(v) The Company has not accepted any deposits and in our opinion, the Company is not holding any amounts which are deemed to be deposits during the year. Further the Company had no unclaimed deposits at the beginning of the year. Accordingly, the provisions of clause 3(v) of the Order are not applicable.

(vi) The maintenance of cost records has been specified by the Central Government under section 148(1) of the Companies Act, 2013 in respect of Company's services. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, prescribed by the Central Government for the maintenance of cost records under sub-section (1) of Section 148 of the Act in respect of Company's services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained by the Company. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

(vii) (a) The Company is regular in depositing undisputed statutory dues including goods and services tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable to the Company, with the appropriate authorities during the year. There were no undisputed amounts payable in respect thereof which were outstanding at the year-end for a period of more than six months from the date they become payable.

(b) There are no statutory dues referred to in sub-clause (a) that have not been deposited with the appropriate authorities on account of any dispute except for the following cases:

Annexure B to the Independent Auditors Report

Independent Auditor's report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' section of our Audit Report of even date)

We have audited the internal financial controls with reference to standalone financial statements of Dish TV India Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of such internal controls stated in the Guidance Note.

Notes to the Standalone financial statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

1. Background

Dish TV India Limited ('Dish TV' or 'the Company') was incorporated on 10 August 1988. The Company is engaged in the business of providing Direct to Home ('DTH') television and Teleport services. Dish TV is a public company incorporated and domiciled in India. Its registered office is at Office No. 3/B, 3rd Floor, Goldline Business Centre, Link Road, Malad West, Mumbai 400064, Maharashtra, India.

2. General information and statement of compliance with Indian Accounting Standards (Ind AS)

These standalone financial statements of the Company have been prepared in accordance with Indian Accounting Standard (Ind AS) as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other provisions of the Act and the presentation and disclosure requirement of Division II of Schedule III to the Act and the guidelines issued by the Securities and Exchange Board of India to the extent applicable. The Company has uniformly applied the accounting policies during the periods presented.

The standalone financial statement for the year ended 31 March 2026 were authorised and approved for issue by Board of Directors on 26 May 2026.

3. Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2026, MCA has not notified any new standards or amendments.

4. Material accounting policy information

a) Overall consideration

These standalone financial statements have been prepared using the significant accounting policies and measurement bases summarised below.

These accounting policies have been used throughout all periods presented in these standalone financial statements.

b) Basis of preparation of financial statements

The standalone financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the standalone financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities, plan assets related to defined benefit obligation and share based payments which are measured at fair values as explained in relevant accounting policies.

As on 31 March 2026, the accumulated losses from the business exceeded its equity share capital (negative net worth) on account of the matter stated in note 50 and any unfavourable outcome of the such matter may cast significant doubt on the ability to continue as a going concern assumptions. However, the Company continues to be legally advised that the Company's stand has merits. Further management believes that it is appropriate to prepare the standalone financial statements on a going concern basis considering sufficient operational cash flow, no debt in books, positive business outlook, cash generation capability.

These standalone financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency. All amounts have been denominated in lacs, except as stated otherwise. The amounts disclosed as '0' represent amounts below rounding off norms adopted by the Company.

c) Current versus non-current classification

All assets and liabilities have been classified as current or non-current, wherever applicable as per the operating cycle of the Company and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

d) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The consideration transferred by the Company to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred, the equity interests issued and fair value of contingent consideration issued. Acquisition-related costs are expensed as and when incurred.

Assets acquired and liabilities assumed are measured at their acquisition-date fair values.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently re-measured to fair value with changes in fair value recognised in profit or loss.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised either in profit or loss or as a change to Other Comprehensive Income (OCI).

If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

Goodwill is measured as excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the resulting gain on bargain purchase is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

e) Property, plant and equipment and capital work in progress

Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are recorded at the cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use upto the date when the assets are ready for use. Any trade discount, recoverable taxes and rebates are deducted in arriving at the purchase price. All other repairs and maintenance are recognized in statement of profit and loss as incurred.

Consumer premises equipment (CPE) are treated as part of capital work in progress till the time of activation thereof, post which the same gets depreciated. Capital work in progress is valued at cost.

Subsequent measurement (Depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less depreciation and impairment loss. Depreciation on property, plant and equipment is provided on straight line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II of the Act. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported. The useful life used based on schedule II or technical evaluation are as under.

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition (calculated as the difference between the net disposal proceeds and its carrying amount) is included in the statement of profit and loss when the respective asset is derecognised.

f) Other intangible assets

Recognition and initial measurement

Intangible assets are recognised if it is probable that the future economic benefits that are attributable to the asset will flow to the Company and the cost of the asset can be measured reliably. These assets are valued at cost which comprises the purchase price and any directly attributable expenditure on making the asset ready for its intended use.

Fee paid for acquiring license to operate DTH services, is capitalized as intangible asset.

Customer and distributor relationships are recorded at the fair market value assessed by independent valuer based on projected economic income attributable to the Company taking into account various factors in the business combination.

Brand is recorded at the cost of acquisition. Cost of acquisition has been determined as the fair market value assessed by independent valuer based on projected economic income attributable to the Company taking into account various factors in the business combination.

Cost of computer software includes license fees, cost of implementation and directly attributable system integration expenses. These costs are capitalized as intangible assets in the year in which related software is implemented.

Subsequent measurement (amortisation)

i) Fees paid for acquiring licenses to operate DTH services is amortised over the period of license and other license fees are amortized over the management estimate of useful life of five years.

ii) The economic life of customer and distributor relationship assets are usually determined by estimating future loyalty of customers. Management has assessed that the economic useful life of the customer and distributor relationship to be of ten years.

iii) The brands have been acquired for a perpetual period. Based on various factors the Company has considered brand to be perpetual in nature. Accordingly, these are tested for impairment.

iv) Software are amortised over an estimated life ranging from one year to five years as the case may be.

g) **Impairment of non-financial assets**

At each reporting date, the Company assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

h) **Impairment of financial assets**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive. When estimating the cash flows, the Company is required to consider:

i) All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.

ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

The Company applies simplified approach permitted by Ind AS 109 Financial Instruments, which requires lifetime expected credit losses to be recognised from the date of initial recognition of receivables.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Company determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

i) **Revenue recognition**

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract. The Company applies the revenue recognition criteria to each nature of the sales and services transaction as set out below, pursuant to Indian Accounting Standard -115 "Revenue from contracts with customers" (Ind AS 115) which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

i) Revenue from rendering of services

- Revenue from subscription services is recognized over the subscription pack validity period. Revenue is recognised net of taxes collected from the customer, collection charges and any discount given. Consideration received in advance for subscription services is initially deferred and included in other liabilities.

- Revenue from other services (viz performance incentive, marketing and promotional fee, teleport services, advertisement income) are recognized as and when the services are rendered in accordance with the terms of the underlying contract.

Notes to the Standalone financial statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

ii) Interest income

- Income from deployment of surplus funds is recognised on accrual basis using the effective interest rate (EIR) method.

j) Foreign currency translation

Functional and presentation currency

The financial statements are presented in Indian Rupees (Rs.) which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Non-monetary items denominated in a foreign currency are converted in functional currency at the rate prevailing on the date of transactions and the same are carried at historical cost.

Foreign currency monetary items are converted to functional currency using the closing rate.

Exchange differences arising on such conversion and settlement at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

k) Employee benefits

Employee benefits include provident fund, pension fund, gratuity and compensated absences

Defined contribution plan

The Company deposits the contributions for provident fund and employees' state insurance to the appropriate government authorities and these contributions are recognised in the statement of profit and loss in the financial year to which they relate.

Defined benefit plan

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation carried out at the end of the year by an independent actuary, using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on Government Securities for relevant maturity. Actuarial gains and losses are recognised immediately in the statement of other comprehensive income. The Company has done contribution to the Gratuity plan with Life Insurance Corporation of India through Dish TV employees group gratuity trust.

Other long term employee benefits

Benefits under the Company's compensated absences constitute other long-term employee benefits. The liability in respect of compensated absences is provided on the basis of an actuarial valuation done by an independent actuary using the projected unit credit method at the year end. Actuarial gains and losses are recognised immediately in the statement of profit and loss.

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, and bonus, etc., are recognised in the statement of profit and loss in the period in which the employee renders the related service.

l) Employee stock option scheme

The fair value of options granted under Employee Stock Option Plan of the Company is recognised as an employee benefits expense with a corresponding increase in other equity. The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in statement of profit and loss, with a corresponding adjustment to other equity. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as share premium.

m) Leases

Company as a lessee

The Company's lease asset classes primarily consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (1) the contract involves the use of an identified asset, (2) the Company has substantially all of the economic benefits from the use of the asset through the period of the lease, and (3) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a Right of use (ROU) asset and a corresponding lease liability for all lease arrangements under which it is a lessee, except for short-term leases and low value leases. For short-term leases and low value leases, the Company recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the date of commencement of the lease on a straight -line basis over the shorter of the lease term and the useful life of the underlying asset

The lease liability is initially measured at amortized cost at the present value of the future lease payments. For leases under which the rate implicit in the lease is not readily determinable, the Company uses its incremental borrowing rate based on the information available at the date of commencement of the lease in determining the present value of lease payments. Lease liabilities are re measured with a corresponding adjustment to the related ROU asset if the Company changes its assessment as to whether it will exercise an extension or a termination option.

ROU assets has been disclosed under property plant and equipements and corresponding lease liability has been shown under financial liability in the Balance sheet.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight line basis over the lease term.

Notes to the Standalone financial statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

n) Earnings per share

Basic earning per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

o) Equity, reserves and dividend payment

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds. Retained earnings include current and prior period retained profits. All transactions with owners of the Company are recorded separately within equity.

p) Taxation

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except those recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised outside statement of profit or loss (either in other comprehensive income or in equity).

q) Operating cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

r) Operating expenses

Operating expenses are recognised in statement of profit or loss upon utilisation of the service or as incurred.

s) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Basis the review of operations being done by the CODM, the operations of the Company fall under Direct to Home ('DTH') and teleport services, which is considered to be the only reportable segment.

t) Provisions, contingent liabilities, commitments and contingent assets

The Company recognises a provision when there is a present obligation as a result of a past event and it is more likely than not that there will be an outflow of resources embodying economic benefits to settle such obligations and the amount of such obligation can be reliably estimated. Provisions are discounted to their present value (where time value of money is material) and are determined based on the management's estimation of the outflow required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events, not wholly within the control of the Company. Contingent liabilities are also disclosed for the present obligations that have arisen from past events in respect of which it is not probable that there will be an outflow of resources or a reliable estimate of the amount of obligation cannot be made.

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

u) Financial instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price. Subsequent measurement of financial assets and financial liabilities is described below.

Financial assets

Subsequent measurement

Financial asset at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Investments in equity instruments of subsidiaries

Investments in equity instruments of subsidiaries are accounted for at cost in accordance with Ind AS 27 Separate Financial Statements.

Investments in mutual funds

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Subsequent measurement

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

v) Fair value measurement

The Company measures financial instruments such as investments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

w) Cash and cash equivalents

Cash and cash equivalents comprises cash at bank and in hand, cheques in hand and short term investments that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

x) Statement of cash flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

41 Employee stock option plan (ESOP) 2018

At the board meeting held on 25 October 2018, the board of directors of the Company had approved Employee Stock Option Plan, i.e., ESOP 2018 ("the Scheme"). The Scheme provided for issuance of 1,80,00,000 stock options (underlying fully paid equity share of Re.1 each) to all the permanent employees or Directors of the Company, whether whole-time or not, or to employee of a subsidiary company or of a holding company, except an employee who is a Promoter or belongs to the Promoter Group, a Director who either by himself or through his relatives or through any body corporate, directly or indirectly holds more than 10% of the issued and subscribed shares of the Company and the Independent Director, at an exercise price equal to the 'market price 'which shall be the latest available closing price, prior to the date of the meeting of the nomination and remuneration committee, in which options are granted on the stock exchange on which the shares of the Company are listed.

Under ESOP 2018, the Company will issue fresh equity shares as and when the Vested Options are exercised by the option grantees. Each option shall be convertible into one Share of the Company upon exercise.

The total number of options that may be granted to any specific employee under one or more tranches during any one year shall not exceed 10,00,000 stock options and options that may be granted to any specific employee in aggregate shall not exceed 50,00,000 stock options. This ceiling may be varied by the Nomination and Remuneration Committee, provided the variation does not prejudice the grantee's interest or violate applicable law.

Options granted under ESOP 2018 would vest not earlier than one year and not later than four years from the date of Grant of such Options. The vesting shall happen every year equally i.e. 25% of the number of options granted, for 4 years from the date of grant of the options.

The Nomination and Remuneration Committee of the Company at its meeting held on 25 October 2018 has approved the grant of 33,60,000 stock option at an exercise price of Rs. 44.85 per option to the eligible employees under the

42 Employee stock option plan (ESOP) 2007

At the Annual General Meeting held on 3 August 2007, the shareholders of the Company had approved Employee Stock Option Plan, i.e., ESOP 2007 ("the Scheme"). The Scheme provided for issuance of 42,82,228 stock options (underlying fully paid equity share of Re.1 each) to the employees of the Company as well as that of its subsidiaries companies at the exercise price which shall be equivalent to the market price determined as per the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ['SEBI (ESOP) Guidelines, 1999'].

The options granted under the Scheme shall vest between one year to six years from the date of grant of options, with 20% vesting each year. Once the options vest as per the Scheme, they would be exercisable by the grantee at any time within a period of four years from the date of vesting and the shares arising on exercise of such options shall not be subject to any lock-in period.

The shareholders in their meeting held on 28 August 2008 approved the re-pricing of outstanding options which were granted till that date and consequently the outstanding options were re-priced at Rs. 37.55 per option, determined as per SEBI (ESOP) Guidelines, 1999.

However, in respect of options granted subsequent to 28 August 2008, the exercise price of the options has been maintained as equivalent to the market price determined as per the SEBI (ESOP) Guidelines, 1999.

Further, it was decided by the Nomination and Remuneration Committee at its meeting held on 17 August 2017, that new Stock options shall not be granted under the ESOP 2007 Scheme of the Company. Accordingly, it was proposed to withdraw the existing Scheme and cancel the remaining options which are yet to be granted. However, the employees who have been granted the Stock Options (whether vested or not) shall be allowed to exercise those stock options.

43 Disclosure pursuant to Indian Accounting Standard 19 on "Employee Benefits"

Defined contribution plans

An amount of Rs. 384 lacs (previous year Rs. 359 lacs) for the year, have been recognised as expenses in respect of the Company's contributions to Provident Fund and Employee's State Insurance Fund, deposited with the government authorities and have been included under "Employee benefits expenses".

Defined benefit plans

The Company provides for gratuity, a defined benefit retirement plan covering eligible employees. As per the plan, the Dish TV employees group gratuity trust, administered and managed by the Trustees and funded primarily with Life Insurance Corporation of India (LICI) , make payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Trustees are responsible for the overall governance of the plan and to act in accordance with the provisions of the trust deed and rules in the best interests of the plan participants. Each year an Asset-Liability matching study is performed in which the consequences of the strategic investment policies are analysed in terms of risk and return profiles. Investment and contribution policies are integrated within this study. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as set out in Note 4(l) in material accounting policy information , based upon which, the Company makes contributions to the Employees' Gratuity Funds.

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

Risk exposure

The defined benefit plans are typically based on certain assumptions and expose the Company to various risk as follows:

a) Salary risk- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

b) Investment risk – If plan is funded then assets liabilities mismatch & actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.

c) Discount rate : Reduction in discount rate in subsequent valuations can increase the plan's liability.

d) Mortality – Actual deaths & disability cases proving lower or higher than assumed in the valuation can impact the liabilities.

e) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

The following table sets forth the status of the gratuity plan of the Company and the amounts recognised in the Balance Sheet and Statement of Profit and Loss:

44 Financial instruments measured at fair value

A. Fair value hierarchy

The financial assets and liabilities measured at fair value in the statement of financial position are divided in to three levels of fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2: the fair value of financial instruments that are not traded in active market is determined using valuation technique which maximise the use of observable market data rely as low as possible on entity specific estimate.

Level 3: if one or more of the significant inputs are not based on observable market data, the instrument is included in level 3

B. Fair value of financial assets measured at fair value through Other Comprehensive Income

	Level	31 March 2026	31 March 2025
Financial assets			
Equity shares Dr. Subhash Chandra Foundation**	Level 3	0	0

(**The carrying value of Rs 10 as on 31 March 2026 (previous year Rs 10), rounded off to Rs lacs, represents the best estimate of fair value.)

Notes to the Standalone financial statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

C. Fair value of financial assets measured at fair value through profit and loss

	Level	31 March 2026	31 March 2025
Financial assets			
Investment in mutual fund	Level 1	1,156	2,503

D. Fair value of financial assets and liabilities measured at amortised cost

Particulars	Level	31 March 2026		31 March 2025	
		Carrying amount	Fair value	Carrying amount	Fair value
Financial assets					
Investment	Level 3	511	511	57,000	57,000

Lease liability	Level 3	465	465	1,923	1,923
Total financial liabilities		**465**	**465**	**1,923**	**1,923**

The above disclosures are presented for non-current financial assets and liabilities. The carrying value of current financial assets and liabilities (security deposits, cash and cash equivalents, trade receivables, other financial assets, financial guarantee contracts, trade payables, lease liabilities and other financial liabilities) represents the best estimate of fair value.

*The valuation model considers the present value of future repayment amount discounted using the effective interest rate. Effective annual interest rate which has been considered for discounting is 13.5%.

**Fair value of bank deposits included in non-current other financial assets are equivalent to their carrying amount, as the interest rate on them is equivalent to market rate. Fair value of security deposits included in non-current other financial assets are equivalent to their carrying amount, as tenure of security deposit cannot be determined.

B: Moderate credit risk

C: High credit risk

Credit risk from balances with banks, term deposits and investments is managed by Company's finance department and are held with highly rated banks.

The Company has given security deposits to vendors for rental deposits for office properties, securing services from them and government departments for transponders taken on rent. The Company does not expect any default from these parties and accordingly the risk of default is negligible or nil.

Loans are to related party and management has assessed the financial ability to repay the same. The Company doesn't perceive any risk for the net carrying amount of the loan.

Concentration of trade receivables

The Company has widespread customers and there is no concentration of trade receivables.

b) Liquidity risk

Liquidity risk is the risk that suitable sources of funding for the Company's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and bank balances and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. Liquidity risk is managed by the Company's established policy & procedures made under liquidity risk management framework. The Company manages liquidity risk by maintaining adequate reserves, banking facilities, by continuously monitoring of forecast and actual cash flows, and by matching the maturity profile of financial assets and liabilities. The financial assets and liabilities have been appropriately disclosed in financial statements as current and non-current portion.

49 A Leases

Company as a lessee

The Company has entered into lease arrangements for land and various offices that are renewable on a periodic basis with approval of both lessor and lessee.

Each lease generally imposes a restriction that, unless there is a contractual right for the Company to sublet the asset to another party, the right-of-use asset can only be used by the Company. Leases are either non-cancellable or may only be cancelled by incurring a substantive termination fee. The Company is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and premises the Company must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

i. The table below describes the nature of the Company's leasing activities by type of right of use asset recognised on balance sheet:

Right of use assets	Number of leases (no.)	Range of remaining term (years)	Average remaining lease term (years)	Number of leases with extension option (no.)	Number of leases with purchase option (no.)	Number of leases with termination option (no.)

50 a) In relation to the ongoing dispute with respect to the validity, computation and payment of DTH License Fees between the Company and Ministry of Information and Broadcasting ("MIB"), a Writ petition filed by the Company is pending before the Hon'ble High Court of Jammu & Kashmir and Ladakh wherein inter alia the quantum/ applicability of License Fee and imposition of interest has been challenged by the Company. The Hon'ble High Court had allowed the interim prayer of the Company vide order dated 13 October 2015 which continues to be in force till the pendency of the Writ. Similar Writs filed by other DTH operators (including the writ petition filed by erstwhile Videocon d2h Limited, which was acquired by the Company in 2017-18) are also pending before the Hon'ble Supreme Court of India. The Company continues to be legally advised that the Company's stand has merits. Further, on 19 January 2023, the Company received a letter from office of the Director General of Audit (Central Expenditure) (in short 'CAG') regarding audit of License Fees paid/payable by the Company to the MIB, which was responded by the Company challenging the scope of audit. The Company thereafter had filed an application before the Hon'ble High Court of Jammu & Kashmir and Ladakh at Jammu against the conduct of CAG Audit and upon hearing the Parties, the Hon'ble High Court vide its order dated 02 March 2023 granted stay on the CAG Audit which is still continuing.

b) Despite the matter being sub-judice as stated in note above, the Company received a communication dated 30 December 2025 from the MIB, wherein the Company was directed to pay Rs. 720,273 lacs towards the license fee since grant of respective DTH Licenses up to financial year 2024-25 (including interest till 31 December 2025). However, the MIB, in the said communication, has also mentioned that the amount was subject to reconciliation based on outcome of CAG audit and the outcome of various court cases pending before Hon'ble TDSAT, the Hon'ble High Court of Jammu & Kashmir and Ladakh and the Hon'ble Supreme Court of India. The Company responded to the said communications disputing the demand.

Using the principle of prudence in accounting standards, the Company has been carrying a provision of Rs 486,558 lacs (31 March 2025 Rs 461,269 lacs) as at 31 March 2026 in its books of account, which has been increased primarily towards interest as a time value of money charge.

During the financial ended 31 March 2018, the Directorate of Revenue Intelligence (DRI), Bangalore, under section 108 of the Customs Act, 1962, had inquired about the classification of viewing cards for applicability of customs duty. The Company had, suo-moto, paid Rs. 600 lacs under protest. During the financial year 2019-20, the Company had received a demand notice for Rs.11,846 lacs. The Company had paid an additional amount of Rs. 1,000 lacs under protest and contested this notice. Further, ADG (Adj.) DRI Delhi has confirmed the demand vide orders dated 27 April 2020 and 28 April 2020 and imposed applicable interest and penalty of an equivalent amount. The Company had preferred appeals before CESTAT, Delhi in August 2020 along with the predeposit of Rs. 324 lacs, against the said orders. Further in October 2021, CESTAT, Delhi has set aside the ADG (Adj.) DRI Delhi order dated 27th April 2020 and allowed the appeal. However, DRI has filed a civil appeal against the CESTAT, Delhi order before the Hon'ble Supreme Court of India and the matter is pending before the Hon'ble Supreme Court. Further, appeal against the ADG (Adj.) DRI Delhi order dated 28th April 2020 is still pending before the CESTAT, Delhi. The Company is confident that the demand will not be sustained therefore, no provision has been made in these standalone financial statements and the amount demanded has been shown as a contingent liability

Other than above:

a) Penalty, if any, levied on conclusion of above matters is currently not ascertainable.

b) The Company has certain litigations involving customers and based on the legal advise of in-house legal team, the management believes that no material liability will devolve on the Company in respect of these litigations.

Sales tax, value added tax, entry tax, service tax, goods and services tax, entertainment tax, custom duty, income tax and other claims

The Company has received notices / assessment orders in relation to applicability of above-mentioned taxes. The Company has contested these notices at various Forums / Courts and the matter is subjudice. Further, Company has assumed the contingent liability in relation to above-mentioned taxes as part of the merger with Videocon d2h Limited.

Based on the advice from independent tax experts, and development on the appeals, the Company is confident that the additional tax so demanded will not be sustained on the completion of appellate proceedings and accordingly, pending the decisions by the appellate authorities, no provision has been made in these standalone financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Members of Dish TV India Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Dish TV India Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31 March 2026, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policy information and other explanatory information ("the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements and other financial information of the subsidiaries referred to in the Other Matters section below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act (Ind AS) and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2026, of consolidated loss, consolidated total comprehensive loss, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained, and the audit evidence obtained by other auditors in terms of their reports referred to Other Matters paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 4(b) to the consolidated financial statements, which indicates the existence of conditions that may cast significant doubt on the Group's ability to continue as a going concern. However, the consolidated financial statements of the Group have been prepared on a going concern basis for the reasons as stated in the said Note.

Our opinion is not modified in respect of this matter.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matter described below to be the key audit matter to be communicated in our report.

Key audit matter	How the matter was addressed in our audit
Assessment of Provisions and contingencies relating to regulatory and tax matters	
As described in Note 30, 50, 52, 56 and 58 to the consolidated financial statements, the Holding Company has significant amount of contingent liabilities (net of provision) disclosed in the consolidated financial statements in respect of matters (tax / legal) pending at various forums. The management of the Holding Company has assessed the possible outcome of the above matters including the assessment towards the outflow of resources. The management seek support from subject matter experts in this regard. The above assessment involves lot of judgement and estimates which includes interpretation of statutes, review of amendments / enactments, etc. Consequently, and considering the materiality, the above have been identified as key audit matter.	Our audit procedures to address this key audit matter included, but were not limited to the following: a. We obtained an understanding, evaluated the design and tested the operating effectiveness of internal controls relating to identification, evaluation, recognition of provisions, disclosure of contingencies for matters under review or appeal with relevant adjudicating authorities by considering the assumptions and information used by management in performing this assessment. b. Completeness and accuracy of the underlying data / information used in the assessment. For selected tax matters, with the help of our tax specialist, we evaluated the reasonableness of the management's positions by considering tax regulations and past decisions from tax authorities, new information and opinions obtained by the Holding Company from its external tax advisors, where applicable. c. We considered external legal opinions, where relevant, d. We also evaluated the disclosures provided in the notes to the consolidated financial statements concerning these matters.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained during our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard as the said report is expected to be made available to us after the date of our report.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to preparation and presentation of these consolidated financial statements, that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and the consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the entities included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are also responsible for overseeing the financial reporting process of the respective entities.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company and its subsidiaries incorporated in India have adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

We did not audit the financial statements and other financial information of three (3) subsidiaries whose financial statements reflect total assets of Rs. 1,44,007 lacs as at 31 March 2026, total revenue of Rs. 77,402 lacs, net loss after tax of Rs. 59,798 lacs, total comprehensive loss of Rs. 59,496 lacs and net cash outflows of Rs. 721 lacs for the year ended 31 March 2026, as considered in the Consolidated Financial Statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based on the reports of the other auditors.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by paragraph 3(xxi) the Companies (Auditor's Report) Order, 2020 ("the Order"/CARO"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on our audit reports and consideration of the audit reports of other auditors on separate financial statements of subsidiaries incorporated in India to which reporting under CARO is applicable, we report that, there are qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO), reports of the companies included in the consolidated financial statements, the details of which are given below:

S. No.	Name	CIN	Holding Company/ Subsidiary Company	Clause number of the CARO report which is qualified or adverse
1	Dish TV India Limited	L51909MH1988PLC287553	Holding Company	i(b), i(c), xvii
2	Dish Infra Services Private Limited	U74140DL2014PTC264838	Subsidiary Company	i(b), vii(a), xvii
3	Dish Bharat Ventures Private Limited	U46901DL2024PTC437609	Subsidiary Company	xvii

2. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of

other auditors on separate financial statements and the other financial information of subsidiaries,

as noted in the 'Other Matters' section above, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matters stated in paragraph 2(j)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

e) The matter described in the 'Material uncertainty related to Going Concern' section above, in our opinion, may have an adverse effect on the functioning of the Group.

f) On the basis of the written representations received from the directors of the Holding Company as on 31 March 2026 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiaries, none of the directors of the Group companies is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

g) The modification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 2(b) above on reporting under section 143(3)(b) and paragraph 2(j)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

h) With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on the auditor's report of the holding company and subsidiaries incorporated in India and procedures performed by us. Reporting on adequacy of internal financial controls with reference to financial reporting and operating effectiveness of such controls, under section 143(3)(i) of the Act, for one subsidiary incorporated in India is not applicable in view of exemption available under Ministry of Corporate Affairs (MCA) notification no. G.S.R. 583(E) dated 13 June 2017, read with general circular No. 08/2017 dated 25 July 2017.

i) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of Section 197 of the Act. Based on the reports of the statutory auditors of its subsidiaries incorporated in India, the provisions of Section 197 of the Act are not applicable to such subsidiaries.

j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements as also the other financial information of the subsidiaries, as noted in the 'Other matter' paragraph:

i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group (Refer Note 30, 50, 52, 56 and 58 to the consolidated financial statements).

ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by its subsidiaries incorporated in India. (Refer Note 28 to the consolidated financial statements).

iv. (a) The respective Managements of the Holding Company and its subsidiaries incorporated in India, whose financial statements have been audited under the Act, have represented to us and the other auditors of such subsidiaries that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any such subsidiaries to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Managements of the Holding Company and its subsidiaries which are companies incorporated in India, whose financial statements have been audited under the Act, have represented to us and the other auditors of such subsidiaries that, to the best of their knowledge and belief, no funds have been received by the Holding Company or any of such subsidiaries from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditors' notice that has caused us or other auditors to believe that the representations under sub-clause (i) and (ii) of Rule 11(e) as provided under (a) and (b) above, contain any material misstatement.

v. The Holding Company and its subsidiaries incorporated in India has not declared or paid any dividend during the year and has not proposed final dividend during the year.

vi. Based on our examination which included test checks and based on the consideration of the report of the other auditors on separate financial statements, the Holding Company and its subsidiaries, have used multiple accounting software for maintaining its books of account for the financial year ended 31 March 2026, which has a feature of recording audit trail (edit log) facility except that no audit trail enabled at the database level for one of its accounting software to log any direct data changes in case of the Holding Company. Further, the audit trail facility has been operating throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we and respective auditors of the above referred subsidiaries did not come across any instance of audit trail feature being tampered with.

Additionally, the audit trail has been preserved by the Holding Company and above referred subsidiaries as per the statutory requirements for record retention.

Annexure A to the Independent Auditors Report on the Consolidated Financial Statements of Dish TV India Limited for the year ended 31 March 2026

Independent Auditor's report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

(Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' section of our Audit Report of even date)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2026 read with other matter paragraph below, we have audited the internal financial controls with reference to consolidated financial statements of Dish TV India Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group'), which are companies incorporated in India, as of that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company and its subsidiaries, as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to consolidated financial statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company and its subsidiaries, which are companies incorporated in India, have, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the respective companies considering the essential components of such internal controls stated in the Guidance Note.

Other Matter

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to the consolidated financial statements in so far as it relates to two (2) subsidiaries, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Our opinion is not modified in respect of this matter.

Notes to the Consolidated Financial Statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

1. Background

Dish TV India Limited ('Dish TV' or 'the Company' or 'the Parent Company') and its subsidiaries [refer to note 4(c) below], together referred as 'the Group', is engaged in the business of providing Direct to Home ('DTH') and Teleport services.

2. General information and statement of compliance with Indian Accounting Standards (Ind AS)

These consolidated financial statements of the Group have been prepared in accordance with Ind AS as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act 2013 ('the Act') read with the Companies (Indian Accounting Standards) Rules 2015, as amended and other provisions of the Act and the presentation and disclosure requirement of Division II of Schedule III to the Act and the guidelines issued by the Securities and Exchange Board of India to the extent applicable. The Group has uniformly applied the accounting policies during the periods presented.

The consolidated financial statement for the year ended 31 March 2026 were authorised and approved for issue by Board of Directors on 26 May 2026.

3. Recent accounting pronouncement

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended 31 March 2026, MCA has not notified any new standards or amendments.

4. Material accounting policy information

a) Overall considerations

These consolidated financial statements have been prepared using the material accounting policies and measurement bases summarised below.

These accounting policies have been used throughout all periods presented in these consolidated financial statements.

b) Basis of preparation of consolidated financial statements

The consolidated financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Further, the consolidated financial statements have been prepared on historical cost basis except for certain financial assets, financial liabilities, plan assets related to defined benefit obligation and share based payments which are measured at fair values as explained in relevant accounting policies.

As on 31 March 2026, the accumulated losses from the business exceeded its equity share capital (negative net worth) on account of the matter stated in note 50 and any unfavourable outcome of the such matter may cast significant doubt on the ability to continue as a going concern assumptions. However, the Group continues to be legally advised that the Company's stand has merits. Further management believes that it is appropriate to prepare the consolidated financial statements on a going concern basis considering sufficient operational cash flow, no debt in books, positive business outlook, cash generation capability.

These consolidated financial statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency. All amounts have been denominated in lacs, except as stated otherwise. The amounts disclosed as '0' represent amounts below rounding off norms adopted by the Group.

c) Principles of consolidation

The consolidated financial statements have been prepared in accordance with Indian Accounting Standard (Ind AS) as notified by Ministry of Corporate Affairs ('MCA') under section 133 of the Companies Act 2013

Notes to the Consolidated Financial Statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

('the Act') read with the Companies (Indian Accounting Standards) Rules 2015. The consolidated financial statements are prepared on the following basis:

Subsidiaries

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. The Group can have power over the investee even if it owns less than majority voting rights i.e. rights arising from other contractual arrangements. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are deconsolidated from the date that control ceases. Statement of profit and loss (including other comprehensive income ('OCI')) of subsidiaries acquired or disposed of during the period are recognized from the effective date of acquisition, or up to the effective date of disposal, as applicable.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses.

Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests, presented as part of equity, represent the portion of a subsidiary's statement of profit and loss and net assets that is not held by the Group. Statement of profit and loss balance (including other comprehensive income ('OCI')) is attributed to the equity holders of the Holding Company and to the non-controlling interests on the basis the respective ownership interests and such balance is attributed even if this results in controlling interests having a deficit balance.

The companies considered in the consolidated financial statements are:

Name of the company	Nature	Country of incorporation	% shareholding As at 31 March 2026	% shareholding As at 31 March 2025
Dish TV India Limited	Parent Company	India	-	-
Dish Infra Services Private Limited	Subsidiary Company	India	100	100
Dish Bharat Ventures Private Limited (w.e.f.10 October 2024)	Subsidiary Company	India	100	100
C&S Medianet Private Limited	Subsidiary Company	India	51	51

d) Current versus non-current classification

All assets and liabilities have been classified as current or non-current, wherever applicable as per the operating cycle of the Group and other criteria set out in the Act. Deferred tax assets and liabilities are classified as non-current assets and non-current liabilities, as the case may be.

e) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred, the equity interests issued and fair value of contingent consideration issued. Acquisition-related costs are expensed as and when incurred.

Assets acquired and liabilities assumed are generally measured at their acquisition-date fair values.

Contingent consideration is classified either as equity or a financial liability. Amounts classified as a financial liability are subsequently re-measured to fair value with changes in fair value recognised in profit or loss.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognised either in profit or loss or as a change to OCI. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured and subsequent settlement is accounted for within equity.

Goodwill is measured as excess of the aggregate of the consideration transferred and the amount recognised for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the resulting gain on bargain purchase is recognised in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through other comprehensive income.

f) Property, plant and equipment and capital work-in-progress

Property, plant and equipment

Recognition and initial measurement

Property, plant and equipment are recorded at the cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use upto the date when the assets are ready for use. Any trade discount, recoverable taxes and rebates are deducted in arriving at the purchase price. All other repairs and maintenance are recognized in statement of profit and loss as incurred.

Consumer premises equipment (CPE) including viewing cards (VC) are treated as part of capital work in progress till the time of activation thereof, post which the same gets depreciated. Capital work in progress is valued at cost.

Subsequent measurement (Depreciation and useful lives)

Property, plant and equipment are subsequently measured at cost less depreciation and impairment loss. Depreciation on property, plant and equipment is provided on straight line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II of the Act. However, Schedule II allows companies to use higher/ lower useful lives and residual values if such useful lives and residual values can be technically supported. The useful life used based on schedule II or technical evaluation are as under.

Asset category	Useful life (in years)
Plant and equipment	7.5
Consumer premises equipment	5
Building	30
Office equipment except mobile	5
Mobiles	2.5
Furniture and fixtures	10
Electrical installations	10

Vehicles	8
Computers	
Laptops, desktops and other devices	3
Servers and networks	6

De-recognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition (calculated as the difference between the net disposal proceeds and its carrying amount) is included in the statement of profit and loss when the respective asset is derecognised.

g) Other intangible assets

Recognition and initial measurement

Intangible assets are recognised if it is probable that the future economic benefits that are attributable to the asset will flow to the Group and the cost of the asset can be measured reliably. These assets are valued at cost which comprises the purchase price and any directly attributable expenditure on making the asset ready for its intended use.

Fee paid for acquiring license to operate DTH services, is capitalized as intangible asset.

Customer and distributor relationships are recorded at the cost of acquisition. Cost of acquisition has been determined as the fair market value assessed by independent valuer based on projected economic income attributable to the Group as per valuation of merger scheme.

Brand is recorded at the cost of acquisition. Cost of acquisition has been determined as the fair market value assessed by independent valuer based on projected economic income attributable to the Group as per valuation of merger scheme.

Cost of computer software includes license fees, cost of implementation and directly attributable system integration expenses. These costs are capitalized as intangible assets in the year in which related software is implemented.

Subsequent measurement (amortisation)

i) Fees paid for acquiring licenses to operate DTH services is amortised over the period of license and other license fees are amortized over the management estimate of useful life of five years.

ii) The economic life of customer and distributor relationship assets are usually determined by estimating future loyalty of customers. Management has assessed that the economic useful life of the customer and distributor relationship to be of ten years.

iii) The brands have been acquired for a perpetual period. Based on all the factors the Group has considered life of brand till perpetuity.

iv) Software are amortised over an estimated life of one year to five years.

h) Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication based on internal/external factors, that an asset may be impaired. If any such indication exists, the Group estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount and the reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

i) Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the Group expects to receive. When estimating the cash flows, the Group is required to consider –

i) All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.

ii) Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

Trade receivables

The Group applies simplified approach permitted by Ind AS 109 Financial Instruments, which requires lifetime expected credit losses to be recognised from the date of initial recognition of receivables.

Other financial assets

For recognition of impairment loss on other financial assets and risk exposure, the Group determines whether there has been a significant increase in the credit risk since initial recognition and if credit risk has increased significantly, impairment loss is provided.

j) Inventories

i) Inventories of customer premises equipment (CPE) related accessories and spares are valued at the lower of cost and net realisable value. Cost of inventories includes all costs incurred in bringing the inventories to their present location and condition. Cost is determined on a weighted average basis. Net realisable value is the estimated selling price in the ordinary course of business less any applicable selling expenses.

ii) **Digital Content:**

Digital content i.e. web series, film rights, music rights (completed (commissioned/acquired) and under production) including content in digital form are stated at lower of cost/unamortised cost or realisable value. Cost comprises acquisition/direct production cost. Where the realisable value of media content is less than its carrying amount, the difference is expensed. Programmes, film rights, music rights are expensed/amortised as under

a) Web series are amortised over three financial years starting from the year of first telecast/upload, as per management estimate of future revenue potential.

b) Film rights are amortised on a straight-line basis over the licensed period or sixty months from the commencement of rights, whichever is shorter.

c) Music rights are amortised over three financial years starting from the year of commencement of rights, as per management estimate of future revenue potential.

d) Reality shows, chat shows, events, game shows, etc. are fully expensed on telecast/upload.

k) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

Notes to the Consolidated Financial Statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold and services rendered is net of variable consideration on account of various discounts and schemes offered by the Group as part of the contract. The Group applies the revenue recognition criteria to each nature of the sales and services transaction as set out below, pursuant to Indian Accounting Standard -115 "Revenue from contracts with customers" (Ind AS 115) which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognised.

i) Revenue from rendering of services

- Revenue from subscription services is recognized over the subscription pack validity period. Revenue is recognised net of taxes collected from the customer, collection charges and any discount given. Consideration received in advance for subscription services from customers/ dealers is initially deferred and included in other liabilities as revenue received in advance / other advances.

- Lease rental is recognized as revenue as per the terms of the contract over the period of lease contract on a straight line basis.

- Activation fee is recognised on an upfront basis considering the level of services rendered on activation, the corresponding cost incurred and separate consideration charged for the subsequent continuing services.

- Revenue from other services (viz performance incentive, marketing and promotional fee, teleport services, field repairs of CPE, advertisement income) are recognized as and when the services are rendered in accordance with the terms of the underlying contract.

- Infrastructure support fees is recognised on the basis of fixed rate agreement on the basis of active customers.

ii) Revenue from sale of goods

- Revenue from sale of stock-in-trade is recognised when the products are dispatched against orders to the customers in accordance with the contract terms and the Group has transferred to the buyer the significant risks and rewards.

- Sales are stated net of rebates, trade discounts, sales returns and taxes on sales.

iii) Interest income

- Income from deployment of surplus funds is recognised on accrual basis using the effective interest rate (EIR) method.

l) Foreign currency translation

Functional and presentation currency

The financial statements are presented in Indian Rupees (Rs.) which is also the functional and presentation currency of the Group.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Non-monetary items denominated in a foreign currency are converted in functional currency at the rate prevailing on the date of transactions and the same are carried at historical cost.

Foreign currency monetary items are converted to functional currency using the closing rate.

Exchange differences arising on such conversion and settlement at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

m) Employee benefits

Employee benefits include provident fund, pension fund, gratuity and compensated absences

Defined contribution plan

The Group deposits the contributions for provident fund and employees' state insurance to the appropriate government authorities and these contributions are recognised in the statement of profit and loss in the financial year to which they relate.

Defined benefit plan

The Group's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation carried out at the end of the year by an independent actuary, using the projected unit credit method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans is based on the market yields on Government Securities for relevant maturity. Actuarial gains and losses are recognised immediately in the Statement of Other Comprehensive Income. The Group has done contribution to the Gratuity plan with Life Insurance Corporation of India through Dish TV employees group gratuity trust.

Other long term employee benefits

Benefits under the Group's compensated absences constitute other long-term employee benefits. The liability in respect of compensated absences is provided on the basis of an actuarial valuation done by an independent actuary using the projected unit credit method at the year end. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages, and bonus, etc., are recognised in the statement of profit and loss in the period in which the employee renders the related service.

n) Employee stock option scheme

The fair value of options granted under Employee Stock Option Plan of the Group is recognised as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options. The total expense is recognised over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. At the end of each period, the entity revises its estimates of the number of options that are expected to vest based on the non-market vesting and service conditions. It recognises the impact of the revision to original estimates, if any, in statement of profit and loss, with a corresponding adjustment to equity. Upon exercise of share options, the proceeds received are allocated to share capital up to the par value of the shares issued with any excess being recorded as share premium.

o) Leases

Company as a lessee

The Groups's lease asset classes primarily consist of leases for land. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (1) the contract involves the use of an identified asset, (2) the Group has substantially all of the economic benefits from the use of the asset through the period of the lease, and (3) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a Right of use (ROU) asset and a corresponding lease liability for all lease arrangements under which it is a lessee, except for short-term leases and low value leases. For short-term leases and low value leases, the Group recognizes the lease payments as an expense on a straight-line basis over the term of the lease.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the date of commencement of the lease on a straight -line basis over the shorter of the lease term and the useful life of the underlying asset

The lease liability is initially measured at amortized cost at the present value of the future lease payments. For leases under which the rate implicit in the lease is not readily determinable, the Group uses its incremental borrowing rate based on the information available at the date of commencement of the lease in determining the present value of lease payments. Lease liabilities are re measured with a corresponding adjustment to the related ROU asset if the Group changes its assessment as to whether it will exercise an extension or a termination option.

ROU assets has been disclosed under property plant and equipment and corresponding lease liability has been shown under financial liability in the Balance sheet.

Company as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. The respective leased assets are included in the balance sheet based on their nature. Rental income is recognized on straight line basis over the lease term.

p) Earnings per share

Basic earning per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Equity, reserves and dividend payment

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares are shown in equity as a deduction, net of tax, from the proceeds. Retained earnings include current and prior period retained profits. All transactions with owners of the Parent Company are recorded separately within equity.

r) **Taxation**

Tax expense recognized in statement of profit and loss comprises the sum of deferred tax and current tax except the ones recognized in other comprehensive income or directly in equity.

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with relevant tax regulations.

Deferred tax is recognised in respect of temporary differences between carrying amount of assets and liabilities for financial reporting purposes and corresponding amount used for taxation purposes. Deferred tax assets on unrealised tax loss are recognised to the extent that it is probable that the underlying tax loss will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating results, adjusted for significant non-taxable income and expenses and specific limits on the use of any unused tax loss. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside statement of profit and loss is recognised either in other comprehensive income or in equity.

Taxes recoverable (direct and indirect) considered non-current assets are those wherein the recoverability is expected beyond the normal operating cycle of the Group.

s) **Operating cycle**

All assets and liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group has ascertained its normal operating cycle as twelve months. This is based on the nature of services and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

t) **Operating expenses**

Operating expenses are recognised in statement of profit or loss upon utilisation of the service or as incurred.

u) **Segment reporting**

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Basis the review of operations being done by the CODM, the operations of the Group fall under Direct to Home ('DTH') and teleport services, which is considered to be the only reportable segment.

v) **Provisions, contingent liabilities, commitments and contingent assets**

The Group recognises a provision when there is a present obligation as a result of a past event and it is more likely than not that there will be an outflow of resources embodying economic benefits to settle such obligations and the amount of such obligation can be reliably estimated. Provisions are discounted to their present value (where time value of money is material) and are determined based on the management's estimation of the outflow required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current management estimates.

Contingent liabilities are disclosed in respect of possible obligations that have arisen from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of future events, not wholly within the control of the Group. Contingent liabilities are also disclosed for the present obligations that have arisen from past events in respect of which it is not probable that there will be an outflow of resources or a reliable estimate of the amount of obligation cannot be made.

Notes to the Consolidated Financial Statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

When there is an obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are neither recognised nor disclosed except when realisation of income is virtually certain, related asset is disclosed.

w) **Financial instruments**

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the financial instrument and are measured initially at fair value adjusted for transaction costs, except for those carried at fair value through profit or loss which are measured initially at fair value. However, trade receivables that do not contain a significant financing component are measured at transaction price. Subsequent measurement of financial assets and financial liabilities is described below.

Financial assets

Subsequent measurement

Financial asset at amortised cost – the financial instrument is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows; and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest ('SPPI') on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

Investments in mutual funds

Investments in mutual funds are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognized when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Financial liabilities

Subsequent measurement

Subsequent to initial recognition, all financial liabilities are measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

A financial liability is de-recognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

x) **Fair value measurement**

The Group measures financial instruments such as investments, at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date.

All assets and liabilities for which fair value is measured or disclosed in the standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

y) **Cash and cash equivalents**

Cash and cash equivalents comprises cash at bank and in hand, cheques in hand and short term investments that are readily convertible into known amount of cash and are subject to an insignificant risk of change in value.

z) **Statement of cash flows**

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Group are segregated based on the available information.

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

9.3 Intangible assets under development

In line with the business plan of investing in new age technologies, inter alia, Watcho the OTT platform, networking equipments and customer premises equipments (CPE), Dish Infra Services Private Limited, a wholly owned subsidiary Company had made significant progress in augmenting these new age technologies in previous year. The subsidiary Company had contracted with aggregators for content and related infrastructure and recorded Rs. 6,050 lacs (31 March 2025: Rs. 6,050 lacs) (net of impairment) as intangible assets under development.

The management of the subsidiary Company with the help of independent valuation experts, assessed the probable future economic benefits from its Intangible assets under development and related capital advances pertaining to investment in new age technologies, inter alia, Watcho the OTT platform, and has consequently recorded Rs.1,300 lacs and Rs. 20,238 lacs as an impairment charge for the year ended 31 March 2025 in the values of Intangible assets under development and related capital advances respectively, which has been disclosed as an exceptional item.

A summary of value in use and amount of impairment during the financial year is given below,

Particulars	Intangible assets under development	
	31 March 2026	31 March 2025
Present value of discounted cash flows over 5 years	(11,537)	(993)
Present value of terminal cash flow	17,587	7,043
Total value in use	**6,050**	**6,050**
Net recoverable amount	**6,050**	**6,050**
Carrying value of Intangible assets under development	6,050	7,350
Total provision for impairment	**-**	**(1,300)**
Closing carrying value of Intangible assets under development (net of provision for impairment)	**6,050**	**6,050**

Key assumptions used for value in use calculation are as follows:

- The Company prepares its cash flow forecast based on the most recent financial budget approved by management with projected revenue growth rate. Average Monthly Revenue per user is expected to grow at 2% per year.
- Terminal growth rate is assumed at 4.5% and is based on industry growth rate and projected growth of Indian economy.
- The EBIDTA margin is expected to be at the same level through out the projected period.
- The free cash flow arrived at were discounted to present value using WACC at the rate 23% (previous year 23%) The sum of the discounted cash flows along with the discounted terminal value is the estimated Enterprise Value.

subscribed shares of the Parent Company and the Independent Director, at an exercise price equal to the 'market price 'which shall be the latest available closing price, prior to the date of the meeting of the nomination and remuneration committee, in which options are granted on the stock exchange on which the shares of the Parent Company are listed.

Under ESOP 2018, the Parent Company will issue fresh equity shares as and when the Vested Options are exercised by the option grantees. Each option shall be convertible into one Share of the Parent Company upon exercise.

The total number of options that may be granted to any specific employee under one or more tranches during any one year shall not exceed 10,00,000 stock options and options that may be granted to any specific employee in aggregate shall not exceed 50,00,000 stock options. This ceiling may be varied by the Nomination and Remuneration Committee, provided the variation does not prejudice the grantee's interest or violate applicable law.

Options granted under ESOP 2018 would vest not earlier than one year and not later than four years from the date of Grant of such Options. The vesting shall happen every year equally i.e. 25% of the number of options granted, for 4 years from the date of grant of the options.

The Nomination and Remuneration Committee of the Parent Company at its meeting held on 25 October 2018 has approved the grant of 33,60,000 stock option at an exercise price of Rs. 44.85 per option to the eligible employees under the scheme having weighted average fair value of Rs. 13.87. Further, on 24 May 2019, the Nomination and Remuneration Committee of the Parent Company has approved the grant of additional 8,60,000 stock option at an exercise price of Rs. 30.45 per option to eligible employees under ESOP Plan 2018 having weighted average fair value of Rs. 15.20.Further on 28 May 2025, the Nomination and Remuneration Committee of the Company has approved the grant of additional 1,12,90,000 stock option at an exercise price of Rs. 5.60 per option to eligible employees under ESOP Plan 2018 having weighted average fair value of Rs. 3.18.

41 Employee stock option plan (ESOP) 2007

At the Annual General Meeting held on 3 August 2007, the shareholders of the Parent Company had approved Employee Stock Option Plan, i.e., ESOP 2007 ("the Scheme"). The Scheme provided for issuance of 4,282,228 stock options (underlying fully paid equity share of Re.1 each) to the employees of the Parent Company as well as that of its subsidiaries companies at the exercise price which shall be equivalent to the market price determined as per the Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 ['SEBI (ESOP) Guidelines, 1999'].

The options granted under the Scheme shall vest between one year to six years from the date of grant of options, with 20% vesting each year. Once the options vest as per the Scheme, they would be exercisable by the grantee at any time within a period of four years from the date of vesting and the shares arising on exercise of such options shall not be subject to any lock-in period.

The shareholders in their meeting held on 28 August 2008 approved the re-pricing of outstanding options which were granted till that date and consequently the outstanding options were re-priced at Rs. 37.55 per option, determined as per SEBI (ESOP) Guidelines, 1999.

However, in respect of options granted subsequent to 28 August 2008, the exercise price of the options has been maintained as equivalent to the market price determined as per the SEBI (ESOP) Guidelines, 1999.

Further, it was decided by the Nomination and Remuneration Committee at its meeting held on 17 August 2017, that new Stock options shall not be granted under the ESOP 2007 Scheme of the Parent Company. Accordingly, it was proposed to withdraw the existing Scheme and cancel the remaining options which are yet to be granted. However, the employees who have been granted the Stock Options (whether vested or not) shall be allowed to exercise those stock options.

42 Disclosure pursuant to Indian Accounting Standard 19 on "Employee Benefits"

Defined contribution plans

An amount of Rs. 778 lacs (previous year Rs. 779 lacs) for the year, have been recognized as expenses in respect of the Group's contributions to Provident Fund and Employee's State Insurance Fund , deposited with the government authorities and have been included under "Employee benefits expenses".

Defined benefit plans

The Group provides for gratuity, a defined benefit retirement plan covering eligible employees. As per the plan, the Dish TV employees group gratuity trust, administered and managed by the Trustees and funded primarily with Life Insurance Corporation of India (LICI) , make payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The Trustees are responsible for the overall governance of the plan and to act in accordance with the provisions of the trust deed and rules in the best interests of the plan participants. Each year an Asset-Liability matching study is performed in which the consequences of the strategic investment policies are analysed in terms of risk and return profiles. Investment and contribution policies are integrated within this study. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as set out in Note 4(n) in material accounting policy information , based upon which, the Group makes contributions to the Employees' Gratuity Funds.

Risk exposure

The defined benefit plans are typically based on certain assumptions and expose the Group to various risk as follows:

a) Salary risk- Actual salary increases will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.

b) Investment risk – If plan is funded then assets liabilities mismatch and actual investment return on assets lower than the discount rate assumed at the last valuation date can impact the liability.

c) Discount rate – Reduction in discount rate in subsequent valuations can increase the plan's liability.

d) Mortality – Actual deaths and disability cases proving lower or higher than assumed in the valuation can

Notes to the Consolidated Financial Statements

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

impact the liabilities.

e) Withdrawals – Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact plan's liability.

The following table sets forth the status of the gratuity plan of the Group and the amounts recognised in the Balance Sheet and Statement of Profit and Loss:

43 Financial instruments measured at fair value

A. Fair value hierarchy

The financial assets and liabilities measured at fair value in the statement of financial position are divided in to three levels of fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

Level 2: the fair value of financial instruments that are not traded in active market is determined using valuation technique which maximise the use of observable market data rely as low as possible on entity specific estimate.

Level 3: if one or more of the significant inputs are not based on observable market data, the instrument is included in level 3

B. Fair value of financial assets measured at fair value through other comprehensive income

Particulars	Level	31 March 2026	31 March 2025
Financial assets			
Equity shares Dr. Subhash Chandra Foundation**	Level 3	#	#

(# Rs. 10)

(**The carrying value of Rs 10 as on 31 March 2026 (31 March 2025 Rs 10))

C. Fair value of financial assets measured at fair value through profit & loss

Particulars	Level	31 March 2026	31 March 2025
Financial assets			
Investment in mutual fund	Level 3	1,156	2,503

D. Fair value of financial assets and liabilities measured at amortised cost

B. Financial risk management

The Group is exposed to various risks and the main types of risks are credit risk, liquidity risk and market risk.

The Group's risk management is coordinated in close co-operation with the board of directors, and focuses on securing Group's short to medium term cash flows.

This note explains the sources of risk which the Group is exposed to and how the Group manages the risk and the related impact in these consolidated financial statements.

Credit risk

Credit risk is the risk that a counterparty to a financial instrument will fail to discharge an obligation to the Group causing a financial loss. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost.

Credit risk management

Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets. The Group continuously monitors defaults of the counterparties and incorporates this information into its credit risk controls.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Credit risk from balances with banks, term deposits and investments is managed by Group's finance department and are held with highly rated banks.

The Group has given security deposits to vendors for rental deposits for office properties, securing services from them and government departments for transponders taken on rent. The Group does not expect any default from these parties and accordingly the risk of default is negligible or nil.

Concentration of trade receivables

for the year ended 31 March 2026 (All amounts in Rs. lacs, unless otherwise stated)

The Group has widespread customers and there is no concentration of trade receivables.

a) Expected credit losses

Provision for expected credit losses

The Group recognises lifetime expected credit losses on trade receivables using a simplified approach and uses historical information to arrive at loss percentage relevant to each category of trade receivables.

The following table provides information about the exposure to credit risk and expected credit loss for trade receivables from individual customers:

As at 31 March 2026	Gross carrying amount	Weighted-average loss rate	Loss allowance

b) Liquidity risk

Liquidity risk is the risk that suitable sources of funding for the Group's business activities may not be available. Prudent liquidity risk management implies maintaining sufficient cash and bank balances and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Management monitors rolling forecasts of the Group's liquidity position (comprising the undrawn borrowing facilities) and cash and cash equivalents on the basis of expected cash flows. Short term liquidity requirements comprises mainly of trade payables and employee dues arising during normal course of business as on each balance sheet date. Long-term liquidity requirement is assessed by the management on periodical basis and is managed through internal accruals and through funding commitments from shareholders.

The majority of the group's investments are in mutual funds.

b) **Sensitivity**

Further the Group is not exposed to any price risk as none of the equity securities held by the Group are classified as fair value through profit and loss or fair value through OCI.

45 Capital management

For the purpose of the Group's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Group. The primary objective of the Group when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31 March, 2026, the Group has only one class of equity shares and has reasonable debt. The Group's net debt consists interest bearing borrowings. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Group allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

49 A Leases

Group as a lessee

The Group has entered into lease arrangements for land and various offices that are renewable on a periodic basis with approval of both lessor and lessee.

The Group does not have any lease commitments towards variable rent as per the contract.

Each lease generally imposes a restriction that, unless there is a contractual right for the Group to sublet the asset to another party, the right of use asset can only be used by the Group. Leases are either non-cancellable or may only be cancelled by incurring a substantive termination fee. The Group is prohibited from selling or pledging the underlying leased assets as security. For leases over office buildings and premises the Group must keep those properties in a good state of repair and return the properties in their original condition at the end of the lease.

i. The table below describes the nature of the Group's leasing activities by type of right of use asset recognised on balance sheet:

Right of use assets	Number of leases (no.)	Range of remaining term (years)	Average remaining lease term (years)	Number of leases with extension option (no.)	Number of leases with purchase option (no.)	Number of leases with termination option (no.)

Subsequent to the reporting date, the title deed relating to the said land has been transferred in the name of the Parent Company.

50 a) In relation to the ongoing dispute with respect to the validity, computation and payment of DTH License Fees between the Parent Company and Ministry of Information and Broadcasting ("MIB"), a Writ petition filed by the Parent Company is pending before the Hon'ble High Court of Jammu & Kashmir and Ladakh wherein inter alia the quantum/ applicability of License Fee and imposition of interest has been challenged by the Parent Company. The Hon'ble High Court had allowed the interim prayer of the Parent Company vide order dated 13 October 2015 which continues to be in force till the pendency of the Writ. Similar Writs filed by other DTH operators (including the writ petition filed by erstwhile Videocon d2h Limited, which was acquired by the Parent Company in 2017-18) are also pending before the Hon'ble Supreme Court of India. The Parent Company continues to be legally advised that the Parent Company's stand has merits. Further, on 19 January 2023, the Parent Company received a letter from office of the Director General of Audit (Central Expenditure) (in short 'CAG') regarding audit of License Fees paid/payable by the Parent Company to the MIB, which was responded by the Parent Company challenging the scope of audit. The Parent Company thereafter had filed an application before the Hon'ble High Court of Jammu & Kashmir and Ladakh at Jammu against the conduct of CAG Audit and upon hearing the Parties, the Hon'ble High Court vide its order dated 02 March 2023 granted stay on the CAG Audit which is still continuing.

b) Despite the matter being sub-judice as stated in note above, the Parent Company received a communication dated 30 December 2025 from the MIB, wherein the Parent Company was directed to pay Rs. 720,273 lacs towards the license fee since grant of respective DTH Licenses up to financial year 2024-25 (including interest till 31 December 2025). However, the MIB, in the said communication, has also mentioned that the amount was subject to reconciliation based on outcome of CAG audit and the outcome of various court cases pending before Hon'ble TDSAT, the Hon'ble High Court of Jammu & Kashmir and Ladakh and the Hon'ble Supreme Court of India. The Parent Company responded to the said communications disputing the demand.

Using the principle of prudence in accounting standards, the Parent Company has been carrying a provision of Rs 486,558 lacs (31 March 2025 Rs 461,269 lacs) as at 31 March 2026 in its books of account, which has been increased primarily towards interest as a time value of money charge.

 # Customs duty

i) During the financial year ended 31 March 2018, the Directorate of Revenue Intelligence (DRI), Bangalore, under section 108 of the Customs Act, 1962, had inquired about the classification of viewing cards for applicability of customs duty. The parent company had, suo-moto, paid Rs. 600 lacs under protest. During the financial year 2019-20, the Company had received a demand notice for Rs.11,846 lacs. The Company had paid an additional amount of Rs. 1,000 lacs under protest and contested this notice. Further, ADG (Adj.) DRI Delhi has confirmed the demand vide orders dated 27 April 2020 and 28 April 2020 and imposed applicable interest and penalty of an equivalent amount. The Company had preferred appeals before CESTAT, Delhi in August 2020 along with the predeposit of Rs. 324 lacs, against the said orders. Further in October 2021, CESTAT, Delhi has set aside the ADG (Adj.) DRI Delhi order dated 27th April 2020 and allowed the appeal. However, DRI has filed a civil appeal against the CESTAT, Delhi order before the Hon'ble Supreme Court of India and the matter is pending before the Hon'ble Supreme Court. Further, appeal against the ADG (Adj.) DRI Delhi order dated 28th April 2020 is still pending before the CESTAT, Delhi. The Company is confident that the demand will not be sustained therefore, no provision has been made in these consolidated financial statements and the amount demanded has been shown as a contingent liability.

ii) During the financial year 2019-20, the wholly-owned subsidiary company, Dish Infra Services Private Limited has received a Show Cause Notice for Rs. 42,686 lacs from the office of the Directorate of Revenue Intelligence (DRI), Bangalore, under section 108 of the Customs Act, 1962. The subsidiary Company has preferred a writ petition for challenging the validity of the show cause notice before the Hon'ble High Court of Delhi. The writ petition has been maintained by the Hon'ble High Court and issued a notice to the DRI Bangalore. The subsidiary Company is confident that the proposed demand will not be sustained and therefore, no provision has been made in these consolidated financial statements and the amount demanded has been shown as a contingent liability.

Other than above:

a) Penalty, if any, levied on conclusion of above matters is currently not ascertainable.

b) The Company has certain litigations involving customers and based on the legal advise of in-house legal team, the management believes that no material liability will devolve on the Company in respect of these litigations.

Sales tax, value added tax, entry tax, service tax, goods and services tax, entertainment tax, custom duty, income tax and other claims

The Company and its subsidiary Company, Dish Infra Services Private Limited have received notices/ assessment orders in relation to applicability of above-mentioned taxes. The Companies have contested these notices at various Forums/Courts and the matter is subjudice. Further, the Company has assumed the contingent liability in relation to above-mentioned taxes as part of the merger with Videocon d2h Limited.

Based on the advice from independent tax experts, and development on the appeals, the Group is confident that the additional tax so demanded will not be sustained on the completion of appellate proceedings and accordingly, pending the decisions by the appellate authorities, no provision has been made in these cosnsolidated financial statements.
